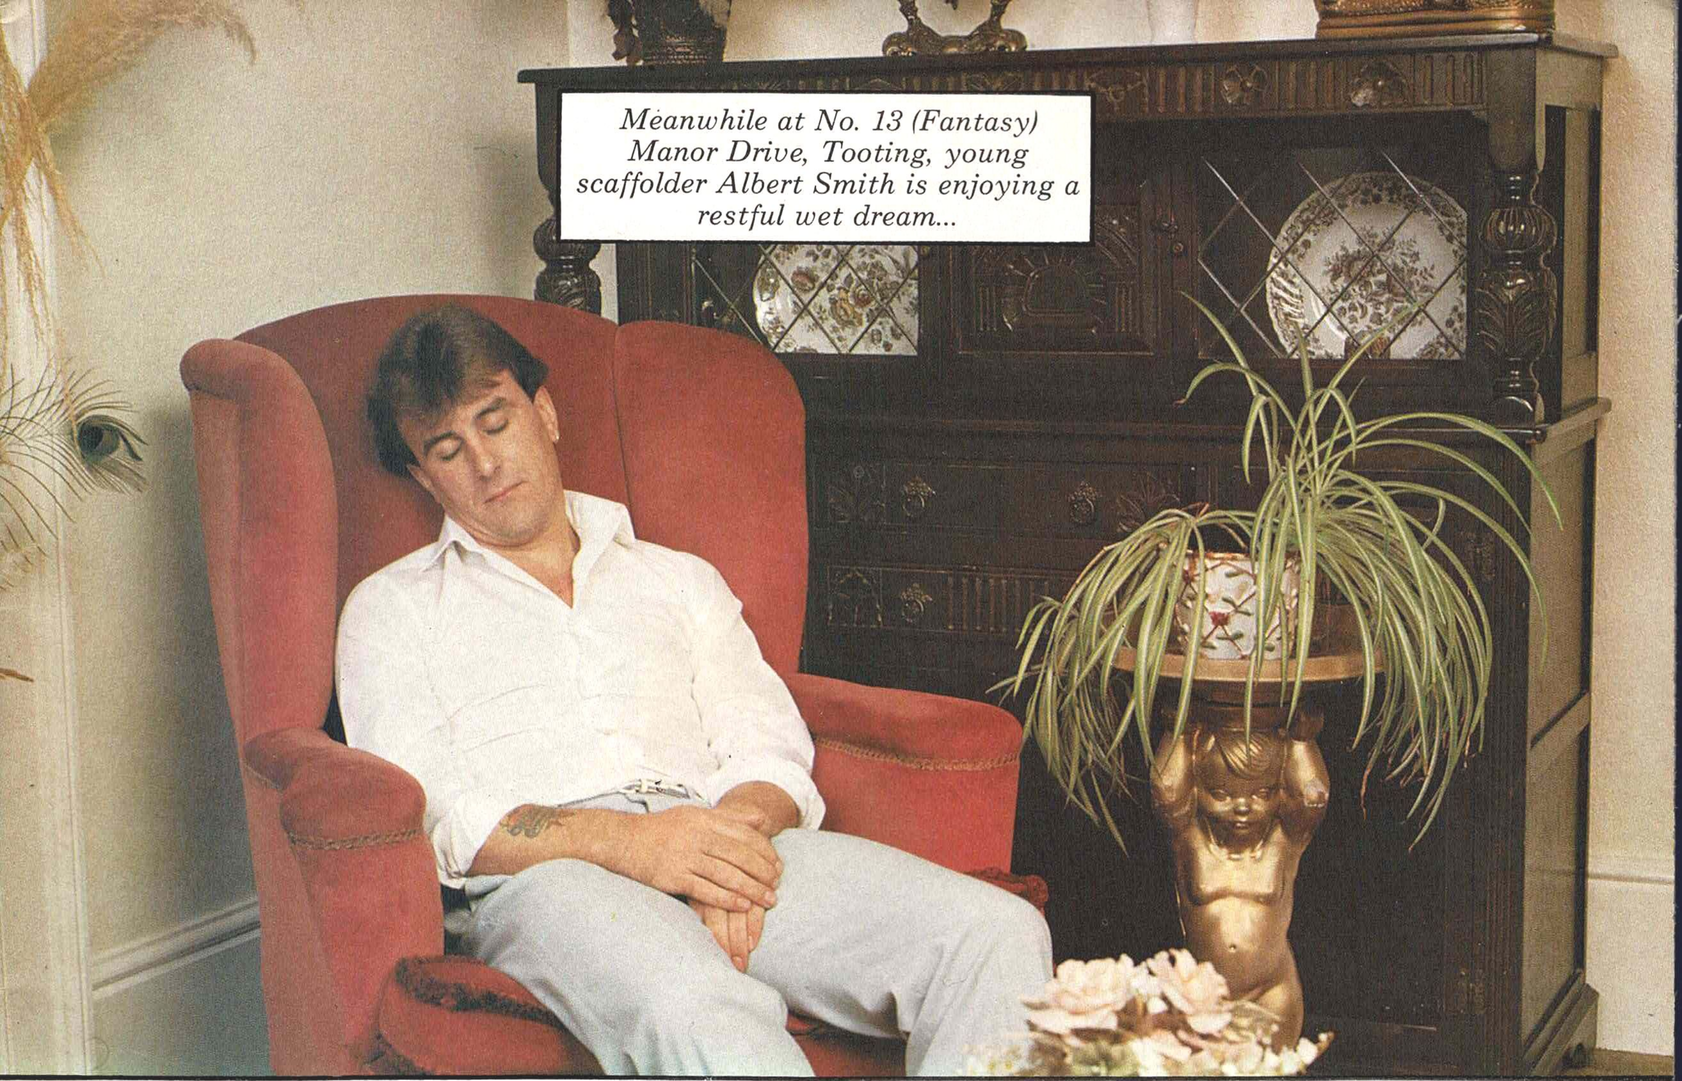
A typical "last orders" in the lounge bar at Fantasy Manor!

IT'S ONLY FANTASY!

Auntie Jayne? You're keeping some funny company these days!



Meanwhile at No. 13 (Fantasy) Manor Drive, Tooting, young scaffolder Albert Smith is enjoying a restful wet dream...

"That's an impressive bulge, Albert!" purrs his leather miniskirted dream-cum-true.

"Go on" pleads a bewildered Albert,
"Tell me I'm only dreaming!"

Dream or reality, Albert wastes no further time!

The creature of young Albert's dreams clamours for a taste of his cock.

"Fuck me, for God's sake! Otherwise it might turn Midnight and I'll turn into a pumpkin!"

A GIRL CALLED DELLA

I knocked on the door. It opened and standing there was this slim blonde girl, rather pretty, wearing a tight sweater and jeans. Fancied her on the spot I did.

"You put in a call," I said. "About your TV."

"Yes, it has gone wrong," she said.

I went into her flat and got to work, she made me a coffee, and we chatted for a bit while I was working.

I had the set fixed in no time at all, then looked at my list and saw she was a cash acount. I asked her to sign for it, and then pay me the money.

She smiled and then said very sweetly. "I'm out of work, I can't pay."

This annoyed me, and I was just about to get angry with the lady when she said: "I need that TV, so couldn't we come to some arrangement?"

"What have you got in mind?" I asked.

She didn't answer. Well, not in words, she just gave me that sweet smile again and then lifted up her sweater to reveal the fact that she wasn't wearing a bra, and one look at her perfectly shaped breasts with their coral coloured nipples gave me a hard on.

"I should un-fix the TV," I said. "Those are standing orders for people who don't pay."

She smiled again, and the sweater came off, and she was standing there topless. "I'm sure we can arrange something," she said, and started to run her hands over her breasts.

This got me really worked up, and I thought, what the hell, if this lady wanted some fun and games why should I deny her the fact. I could always put down that she wasn't in when I called, my boss wouldn't know the difference.

I nodded, and she smiled and she turned and walked into the next room, and I followed her, saw it was a bedroom.

She took off her jeans and pants and was now naked, and that was when I saw that she didn't have any hair on her pussy.

"I'm so glad you are letting me pay you like this," she said. "So you are in charge, what would you like."

There was no point in beating about the bush, so I said: "Play with yourself while I get undressed."

She nodded and stretched out on the bed, and I started to get rid of my clothes, and watched her while I was doing so.

She was still smiling, but now her right hand had moved down to her shaven pussy, and her fingers were fluttering over the pouting lips.

She obviously liked touching herself down there, for I was close to the bed and could see the juices forming on the lips.

I was now naked, my cock really stiff, and she was rubbing harder at her cunt. I told her to carry on and got on the bed.

She smiled, and then two of her fingers went inside her cunt, two stiff fingers, and soon she was wanking away very fast.

I didn't do anything, just watched, for I like to see women wanking. She wasn't messing about, she was going flat out, her hand a blur of speed as her fingers slurped in and out of her pussy.

She had an orgasm soon after that, and her yell of delight was music to the ears.

Her fingers came from her pussy, and she held her hand up. "You lick them," I said.

"How did you know I like my own taste?" she asked, but it wasn't really a question, for as soon as she had said it, she popped her

juicy fingers into her mouth and sucked them.

"Pull your cunt open, let me have a look inside," I said. Well, she had wanted me to take charge and say what went on, so I did.

She nodded, and both her hands went down to that fabulous shaven pussy of hers, her finger tips touched her cunt lips, and then she was slowly drawing that delicate flesh wide open, wide apart, very wide apart.

I lost no time at all in getting down there, placed my face between her thighs and then looked into her cunt. I liked being able to tell a woman what to do, and having her do it right away.

I was looking into her pussy now, she was still holding those fleshy lips really wide apart, and I gazed into that fuck tube for some time, admiring the red walls, loving the way the juices were bubbling away deep in the very depths of that tube.

"I have a really nice cunt, haven't I?" she asked.

"You can say that again," I told her.

"I would love your cock inside me," she whispered.

"Later," I told her. "First of all I want to suck you, so take your fingers away, play with your own tits while I get to work on your pussy."

She nodded, her hands came away from her cunt and went to her breasts, and I glanced up and saw that she was doing as I asked, that she was fondling and squeezing at her firm breasts, making those nipples of hers stiffer than ever.

I used my tongue on her cunt, just lapped at the labia for a while, got my first taste of her juice, which was sweet and sticky, and she shook with delight when she felt my tongue down there.

Then I used my fingers and parted the folds of wet flesh and had another quick look inside her cunt, then my tongue went inside there and I started to waggle it about.

I heard her cry out with lust as an orgasm powered its way through her naked flesh, and as that orgasm hit her, so her cream sort of washed into my mouth. Lots of it, lots of the thick bubbly sweet stuff.

I started to flick my tongue in and out, started to give that lady what for, and she came time and time again. It was a perfect cunt to suck out, the taste was good, it was nice and wet and hot, and a very responsive cunt, for she kept coming all the time I was sucking.

I drank my fill of her juices, and then pulled my head away. I moved up and sucked her right tit, and while I was doing that, her right hand went down and I felt her very experienced fingers curl round my shaft.

Her fingers moved up and down my cock, and I was now sucking hard at her nipples, using my hands on her boobs, and she was moaning softly to herself.

Her fingers brought me to a really huge erection, and I lay back and suggested that she suck me off.

She seemed to think that was a very good idea, and she moved down my body, and a couple of seconds later her tongue was lapping at my shaft, her fingers on my balls.

She had a nice gentle way with that tongue of hers. You know how some women just slurp, well this woman obviously knew what a man really liked when it came to having his cock sucked, and she didn't rush it, she just took her time, and the thrill was so intense that I thought my cock was going to explode.

She lapped some more at my cock, and then her tongue went to my glans, and she brushed her tongue over it very gently indeed, and that was so good that I had to use all my self control to stop myself coming on the spot.

"I want it on your face when I come," I said.

She nodded. "I love it that way," she replied, then she opened her mouth and carefully drew my cock inside, then closed her lips round my glans and sucked very gently.

She did this for a while, fingers still playing with my balls, and then she took my cock in a little more, and this time the suction increased a little, and then it was some more, her cheeks blowing in and out, her tongue flicking like mad, and it was one of the best sucks I'd ever had. It was pretty obvious that this woman just loved the taste of hot cock in her mouth.

Some women, you know, act as if they are doing you a favour when they suck you; but this woman acted as I was doing her a favour by allowing her to suck my cock, and let's face it, that's how it should be.

Her head was going up and down now, and she was slurping really hard, and then I felt the spunk start to flow, and she took the first hot dollop into her mouth – which gave her a climax – and then she pulled my cock from her mouth, worked her fingers fast up and down my shaft, and the next hot thick stream of spunk hit her right between the eyes, and again, that gave her a climax.

She kept working at my cock with her fingers, and my spunk kept coming out, it was one of the best orgasms, one of the best ejaculations, that I've ever had, thanks to her sucking expertise, and by the time the last drop had come from my cock, her entire face seemed to be coated with spunk.

She realised I had finished, and she let my cock slip from her fingers. Spunk was now dripping from her chin and falling onto the upper slopes of her tits.

"This feels good," she said. "I love spunk on my skin."

"It looks good on you," I smiled. "It suits you."

She smiled back, and then her right hand wento to her face, and in a very erotic manner she wiped some of the sperm from her chin.

She held her fingers up, the blobs of spunk stuck to them, and she said: "Need I ask what you want me to do now?"

"It should be obvious," I said.

She winked at me, opened her mouth, and her tongue came out, and she lapped the stuff from her finger, then her tongue rolled back into her mouth and her lips closed, I saw a movement of her throat as she swallowed that sperm down, then her entire body moved, and shuddered, as a climax washed through her.

"I always climax when I drink the stuff," she said.

"Well, be my guest," I told her. "Have some more climaxes."

She seemed to think that was a very good idea indeed, and again her hand went to her face, and this time she wiped up an even bigger amount, and again her tongue came out.

It was nice to se her do that, nice and kinky. I have tried to get other women to do that sort of thing after I have come all over their faces, but for one reason or another they have refused, but not only wasn't this woman not refusing, she was insisting on doing it, was getting a great deal of pleasure from the act, and she went on with her kinky performance till there wasn't a single drop of my spunk left on that beautiful face of hers.

I had obviously hit my lucky day when I had called at her flat, and how!

Well, to cut a long story short, we rested, chatted, then she sucked my cock again, sucked it nice and slowly to get it really hard, and then suggested that a fuck would be nice. It was a suggestion that I was more than happy to go along with.

"Do you mind if I get on top?" she asked. "I prefer that position."

"You can have it any way you want it," I told her, rolling round so that I was flat on my back, my cock sticking up like a stiff poker and throbbing like mad.

She faced me and then crouched down, over my cock, and as she did so, her pussy was so wet, that little drops of sex juice washed down over my price, and needless to say, that was a very nice feeling.

She lowered herself down, and then her fleshy cunt lips came into contact with my glasn, and that was also a nice feeling, and she moaned with lust, and then very quickly sat all the way down, and her cunt lips parted, there was a wet slurping sound, and my cock went all the way up into her tight pussy tube.

She was sitting in my lap, a glazed look of delight and lust in her eyes as she felt my hard cock throbbing away inside her tube.

Then she started to move up and down on my prick, and, as with the sucking, she didn't rush this, she went up and down slowly, and I could feel the delicate skin of her pussy walls rubbing against my throbbing shaft as she did so.

That cunt of hers got wetter and tighter by the second, and the slow movement on my cock meant that I had to use a lot of self control. It was an amazing feeling to be inside her cunt, one of the very best. No, correction, it was the best cunt that I'd ever been inside.

I reached up and started to use my hands on her tits, at that moment she started to go just a little faster and those boobs jiggled sexily in my hands.

She was sobbing with the pleasure of it all as she went up and down, and her orgasms started to flow, and with each orgasm her cunt became even wetter, and the juices were flowing out now and going over my balls and belly. Yes, they were really spurting out all over the place. I do so like really juicy women, don't you?

Up and down she went, faster and faster, her orgasms becoming more and more intense, and I was pulling hard on those tits and nipples of hers.

She was yelling now, yelling loud and long, and going so fast I was surprised she was able to maintain her balance on my cock.

I could feel my cock getting hotter and harder, and this just had to be one of the very best fucks of my life. The sort of fuck that would be forever ingrained in my memory.

Up and down, faster and faster, the slurping of her cunt mingled with her shouts of pleasure, and then she had a huge climax, for the very simple reason that I was now pumpin spunk up into her cunt, and again, it was a huge ejaculation, for that woman seemed to be able to bring out the best in me.

She just sat on my cock after that, and I felt her squeeze at my shaft with her cunt walls and it was very obvious why she was doing that, she wanted to make sure that I was sucked dry.

In the end she rolled from me, but even that wasn't the end of it, for she leaned over and sucked my cock dry, just to see if she could get any more spunk from me, and she didn't manage to get the odd drop.

Well, it had been a real turn up for the book. I don't usually get an offer to be paid in kind, and even if I did, I wouldn't take them all up, after all sex is great, but you have to make a living. But every now and then it is fun to take up one of the offers that I get.

She was a lovely lady, and I hope that one of these fine days her TV set goes wrong again and then I will make another call, and next time round I have a few more suggestions to put to her.

Yes, that lady had a fine cunt, and she was kinky with it, and I'll never forget the way, when my spunk was all over her face, that she used her fingers to wipe the stuff up, and then took her fingers inside her mouth. Yes, you don't find many women who will do that.

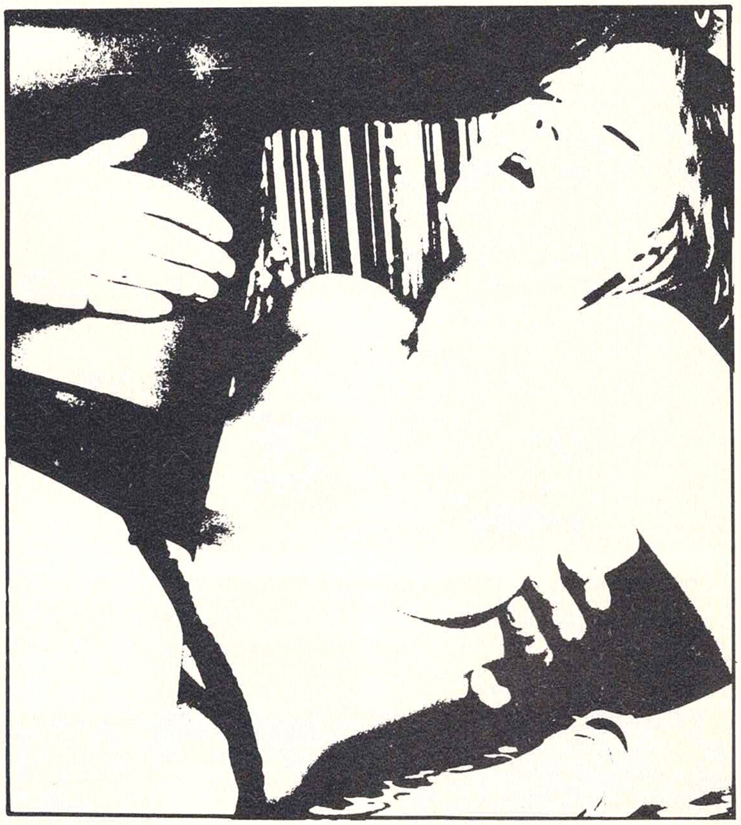
SUE'S SEXUAL DREAMS

What does a sexy women dream about when she is alone in her bed? We thought this an interesting question, and so we got in touch with Sue, a model, who when last at our offices was talking about how much she dreamed, and we asked her that the next time she had a sexy dream to write it down and let us have it. She did just that, and we publish it below. Just a reminder though, things happen in dreams that cannot possibly happen in real life, so remember, this is just a dream, something that came out of the depths of sexy Sue's mind while she was asleep.



I think this was the best dream that I have ever had. I know that when I woke up after it, that my pussy was really wet, and the dream had been so vivid that I could remember every single detail of it.

As I drifted off to sleep I started to think sexy thoughts, for I find, that if I am thinking about sexual pleasure as I close my eyes, then more often than not I have a sexy dream.

Of course, I much prefer to have sex in real life, but having sexy dreams is still very nice. Well, there I was, naked, alone in my bed, feeling tired, and as I closed my eyes I thought about sexual pleasure, and as I drifted into sleep I started to dream, and it was, as I have said, the best sexual dream of my life.

This is what happened to me in my dream:–

I was naked. I am always naked in my dreams. I was stark naked and stretched out by the side of this huge swimming pool.

It was the most gigantic swimming pool ever, and it was in the open, and the sky was blue and the sun was beating down on my naked body.

I seemed to be on my own, and as usual in my dreams I was feeling very randy, and in my dreams, as in real life, when I start to feel randy, then I have to do something about it right away.

I moved right down my body and then touched my pussy lips with the tips of my fingers. I have shaved off all my pussy hair, so my fingers were touching smooth naked flesh, and as I ran the tips of my fingers up and down my cunt lips, so I could feel the little drops of cream starting to drip from my fleshy folds.

I rubbed a little more, and soon my fingers were very sticky, and after a while I moved my hand back up to my face and then used my tongue to lick at my fingers.

That isn't unusual for me to do that in a dream, and come to think of it, I often do that in real life. I do so love the taste of my own pussy cream. Mind you, the taste that I like most of all, sexual taste that is, is the beautiful taste of hot sperm.

After licking my fingers, I then moved my hand, in my dream, back down to my pussy, and ths time I very carefully pushed tow of my fingers all the way into my pussy.

I have a very tight pussy, so as I pushed my fingers in, the tips of them rasped and rubbed in a most delightful way against the internal walls of my cunt, and then sent waves of pleasure rippling through my flesh.

I soon had my finges all the way in, and the inside of my cunt felt very wet indeed, and then the tips of my fingers touched the very depths of my cunt, and that was enough to make me climax, and when I climax I always shout out very loud, for all my orgasms are very intense indeed.

I waited till the orgasm had passed, and then I started to move my fingers in and out of my cunt, and that was enough

I waited till the oragasm had passed, and then I started to move my fingers in and out of my cunt, and at the same time I used my free hand to play with my breasts and nipples.

Before very long, my nipples were rock hard, and I was also flashing my fingers in and out of my cunt just as fast as I could go, and more orgasms went through me.

I wanked hard and fast, nad lost count of the number of times that I came.

I did this for five minutes, and then after licking my fingers again, I sat up and glanced down, and saw that my nipples were harder than they had been for a long time, and they were also throbbing like hell, and again in that dream, I did something that I love doing in real life.

I placed both my hands under my right breast, and then I lifted that large firm tit of mine up as far as it would go.

This meant that my nipple was now very close to my chin, and I looked down at it and loved how it looked, it seemed to be twice its normal size.

I lowered my head, and then opened my mouth and poked out my tongue and was just able to flick my tongue over the hard throbbing tip of my nipple, and again, that sent so much pleasure coursing through my body that I soon had an orgasm.

Again, I waited till that orgasm

had passed, waited till the juices had stopped dripping from my cunt, and then I lifted that tit of mine up even higher, and then I lowered my head, and was able to take the whole of my nipple into my mouth.

I sucked hard and long at that nipple of mine, really slurped away like mad, and I felt that nipple grow even bigger inside my mouth, and of course, the orgasms came again.

I should mention here that when I do this tit sucking in real life, I like to have a man, or another woman, watching me while I am performing it, for being watched while I am sucking my own tit turns me on more than ever; and it also make the person who is watching me very randy indeed.

But this was a dream, and I was on my own, and the nipple was in my mouth, and I sucked away until the orgasms became so intense that I just could not stand any more.

I opened my mouth and let the nipple slip out, and then stood up, and as I stood up, so the juices trickled down from my cunt and ran down the inside of my legs.

I was still alone, and so I dived into the swimming pool in that dream of mine, and swam about for a bit, and then, when I clambered out, a hand came down and handed me a towel, and I stoo up, and looked and saw, in that dream, the most handsome of men standing there.

He was tall, well built, good looking, and his cock was really thick. I have never been the sort of girl, even in dreams, who goes for a man with a long cock.

Long cocks mean nothing to me, I much prefer a short stubby one, a thick cock, for a thick cock makes my cunt walls bulge out, and that gives me much more pleasure, much more climaxes, than having a long cock just poking away in the depths of my cunt. When I am fucked, I like my cunt to feel really full of hot cock, and so the the thicker the cock the better, is what I say.

Now in dreams you cannot always make the things happen, you know what I mean, don't you? You have to let things go along, and although I wanted this man's cock inside my pussy, wanted it inside me very badly indeed, it was obvious that he was not going to fuck me, for he asked me to stretch out on the grass by the side of the swimming pool, and when I had done so, he just stood above me, pointed his cock at my face, down at my face, and then started to wank off.

Yes, I wanted that cock inside me, but he just stood there wankin off. Not that I minded, for I love to see a man playing with himself, the same way that all men love to see a woman wank off.

I knew that when he came, his hot spunk would shoot from his cock and then come showering down all over my face, and I love that, love it in dreams, and also love it in real life.

Well, I just couldn't lay there, so I used my right hand on my cunt, and my left hand on my boobs, and just looked up at his cock.

My fingers were inside my cunt, flashing away again, and my other hand was working on my tits, and all the time that I was doing that, I was staring up at his thick cock, watching his hand wank.

His glans had become very swollen indeed, and he started to wank faster than ever, and then I saw the small slit in his glans start to open up, and I knew that at any moment, the spunk would come pouring out, and this thought, this thought of sexual anticipation, made me wank myself off faster than ever, and my fingers were ramming hard and deep into my cunt, and my juices were spurting out all over the place.

Then the spunk started to fly, the slit was wide open, and the hottest and thickest spunk that I had ever seen – in real life or in any dream – came showering and cascading through the air and started to splatter all over my waiting face.

It felt so good, looked so good, that as soon as the first thick dollops of the stuff hit my face – and they hit me right between the eyes – I had an orgasm.

The spunk came out in such a Ing stream, that it was almost as if the man were taking a piss. He wasn't, but there was so much spunk that it seemed like it. No man in real life could ever shoot out that much spunk, but in a dream, I'm pleased to say, just about anything is possible.

He pulled on his cock till there was nothing left, and then he just turned and walked away into the distance, leaving me there, on the ground, by the side of the swimming pool, with masses of lovely hot and beautiful spunk all over my face and neck, and there was a lot of it in my hair as well.

I sat up, and spunk rolled down from my chin and neck and stuck to my breasts, and as

if by magic, two large dollops of that thick sperm came to rest on my nipples.

I reached down and used the index finger of my right hand to wipe the drop of spunk, the large dollop of spunk from my right nipple, and then as in real life, I took that finger into my mouth and sucked it dry and drank down the sperm.

Then I dived into the swimming pool and swam around, the water lapping the sperm from my face.

As I climbed from the pool again, I saw a house in the distance. In dreams things appear just like that as you know.

I walked to the house, it was a huge place, with at least ten bedrooms, and in one bedroom I saw a woman. She was naked, on a bed, and she was pushing a candle in and out of her cunt.

I'm bisexual in real life as well as in my dreams, and when she smiled at me, I walked over to the bed, and she took her hand from the candle, leaving that candle sticking from her pussy, and that believe you me, was a very erotic sight indeed.

I got onto the bed, reached out, gripped that candle in my right hand, and then started to wank the woman with it, and I did not mess about, I really hammered that thing in and out of her pussy, and the faster and harder I did it, the better she liked it.

She was lovely, small breasts, but with huge nipples, and like me, she had a shaven pussy, and as I slurped that candle in and out of her cunt, so she came many times over, and each and every time that she had an orgasm, so the juices flowed and bubbled from that wonderful looking cunt of hers.

I wanked off with that candle for about five minutes, and then slowly pulled it from her cunt, and then she asked me to suck her out.

In eral life, not only in dreams, one of the best sexual pleasures I know is sucking out a woman's cunt, the only thing that beats that, when it comes to sucking, is having a man's cock in my mouth.

I went down there between her legs, and then used the tip of my tongue to lap at her cunt lips, and found that she tasted very nice, all hot and sweet, ver sweet, and as my tongue moved all over her vaginal folds, so she climaxed again and again, and by the time I had finished lapping at her lips, by the time I was ready to go to work inside her cunt, my face seemed to me coated with a lovely thin layer of pussy juice.

I moved my face away from her cunt slightly, and then used both my hands on her pussy.

I used the very tips of my fingers, and as gently as I could, I parted those cunt lips of hers, slowly pulled them open just as far as they would go, and when those lips were spread wide, I moved my face in again and looked into the depths of her cunt hole, and what a lovely sight that was.

She was tight in there, as tight as me, and she was red and wet, her cunt, inside, looked as beautiful as my own cunt.

I pushed my tongue inside her and started to flick and waggle it over her walls, and she heaved up and down on that bed, and then shouted with lust. Yes, this is the sort of sexual dream that I really do like having.

It was the most beautiful cunt to suck out, all wet and juicy, and I hoped, really hoped, that this part of the dream would last for a long time, and I carried on sucking and lapping away at that cunt, and drank down as much of her sweet tasting juices as I could get.

Then she rolled from under me, and made me stretch out, and then she picked up the candle.

Now in real life I love to be wanked off, love to have a man or woman finger fuck me, or push something, anything at all, into my pussy.

This dream woman, picked up that candle, and then with a great deal of loving care, she slipped it into my pussy.

Of course, I was so worked up by that time, that as soon as the candle, the very thick candle by the way, went into my cunt, so I climaxed, and she smiled, and pushed it in deeper, pushed it into my cunt just as far as it would go.

I heaved and writhed on that bed and she wanked me with that candle, and then, just as I thought I couldn't take any more, the lady, and the candle, just vanished. I wasn't surprised, fo in my dreams people, men and women, tend to appear and vanish just like that.

Still naked, with juices dripping from pussy, I got off the bed and explored the rest of the house.

I came to another bedroom, and gasped with delight, for the man I had seen at the swimming pool, the man who had shot so much spunk over me, was on the bed, and his cock was hard and huge, and he was flat on his back, and he pointed at me, and smiled, and then pointed at his cock, and made up and down motions with his hips; it was obvious that he wanted me to get on top of him, to get his cock up inside me, and to heave up and down and fuck him till he came inside my cunt, and needless to say, I lost no time at all in rushing over to the bed.

I wanted to suck that cock first, but knew that might spoil th dream, for if you go against that someone wants in a dream then, I find, that I wake up, and the dream is over, and this was such a good dream, the best in fact, that I wanted it to last for all time.

I got onto the bed, and then faced the good looking man, and as I crouched over him, I could almost feel the heat coming up from his massive cock.

My juices were dripping down from my pussy, and they were washing all over his hard cock, and he moaned with pleasure at this.

I stayed like that for a few seconds, just crouching over him, for his cock was so thick that I knew it would have to be well lubricated before I would be able to get it all the way up into my pussy. Yes, even though I was sopping wet inside my cunt, I had to get his cock wet also, that should give you some idea of just how thick that cock was.

I lowered myself down, and a few seconds later the head of his very swollen and powerful glans was touching my pussy lips, and that sent a wave of pleasure through me, for this is what I had been wanting ever since the dream had started, a good thick cock up inside my pussy.

I went down a little more, and my cunt lips parted, juices came out, rushed out, and then the head of his throbbing knob was inside my cunt, and that felt so fucking good that I had an orgasm right there and then.

I sat down some more, and inch by inch that cock of his went all the way up inside my cunt hole.

I screamed with pleasure, and then sat all the way down, sat right the way down in his lap, which meant, of course, that every single throbbing inch of his large cock was now inside my cunt and I was so worked up, so randy, that I would have got his balls inside me as well if it could have been arranged.

His hands came up and with a smile on his face, he started to use his fingers on my breasts

and nipples, and that felt really good.

I started to move up and down on his cock, and it was so hot, so thick, so powerful, that each time I went up on it I had a climax, and then had another one each time I sat down in his lap again.

I was going up and down nice and slowly, and that knob of his seemed to get bigger with each passing second, and my cunt had never been so full of cock before, my cunt seemed to be crammed full of hot throbbing cock, and it was the most thrilling sexual moment of my life.

Okay, I know it was only a dream, but even now, as I am writing this, I can still feel that thick huge cock inside my cunt, and just sitting here at my desk, writing this story about that dream, is turning me on so much that I can feel my panties getting wet.

But back to the dream. His cock was bigger than ever. And I was moving up and down ever faster on that tool of his, and the orgasms were growing in intensity all the time, and my juices were red hot.

I closed my eyes and heaved up and down faster and faster, till I was going at like the clappers, and I was just about going out of my mind with the pleasure of it all, even in a dream, this was amazing.

I fucked and writhed and heaved and bounced and banged up and down on his cock, and then he made my orgasms even better for he started to heave his hips up and down, and his timing was perfect, and my orgasms came and came, and powered through me, one ogasm blending into the next, till it seemed that my entire body had turned into one huge gigantic orgasm.

Then he came.

You remember how much spunk he shot over my face at the start of the dream, well, there was just as much spunk this time, only now it was shooting up into my cunt, and the orgasm I had was out of this world, for never, in any previous dreams, and never in real life, had I had so much spunk going up into my cunt.

Of course, there was so much spunk going up into my pussy that it soon filled me up, and then it started to wash out of my cunt, and it ran back down over the man's belly and his balls.

He pumped away, pouring more and more sperm out of that huge cock of his, and then he vanished.

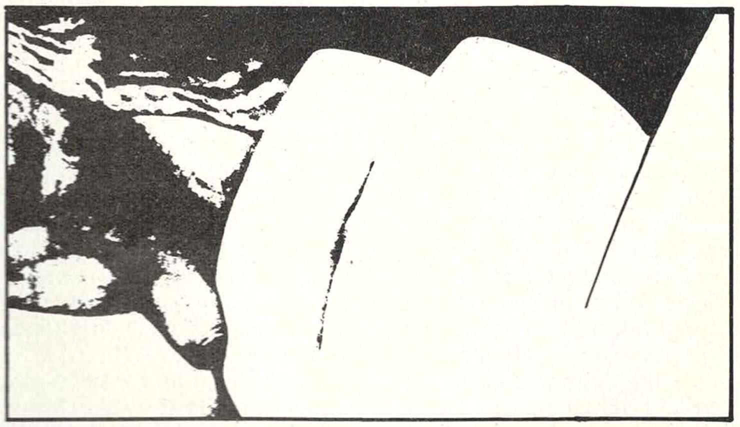
Yes, one minute I was sitting on his cock, feeling the spunk going into me, and the next minute I was just kneeling on the bed on my own, the man had gone.

But although he had gone, although he had vanished, his spunk was still there, and I glanced down and could see it, could feel it, pouring from my pussy.

Of course, being the sort of girl that I am, I reached down and cupped my right hand under my cunt, gather a lot of sperm in my hand, nad then. Well, you don't have to have me tell you what I did next do you?

Even after doing that several times over and over using my tongue a lot on my hand, and having lots of orgasms while doing it, there was still a great deal of the stuff inside my pussy, and so I left the bedroom and went into the nearest bathroom, and there I had a shower.

That was when I woke up. It had been a first class dream, and you know, my hope in life is that one of the these days I will find a man in real life who can shoot out as much spunk as that man in my dream. For even now while writing this, I can really feel that huge amount of stuff inside my cunt hole. Yes, that was the best sexual dream that I had ever had.



She'll never say NO again!

VIBRATING PENIS

A viciously effective 'whip—hand' stimulator (available in black or white) as favoured by the ladies of the Brazilian aristocracy.
Its unique snake like action mercilessly activates the nerve ending of the vaginal orifice, nerves that are by-passed by the conventional vibrator (which is active only at the tip).
This unique action also stimulates the lubrication duct and women who thought they knew themselves well, report a massive increase in fluid emission, after just a few moments alone with the vibrating penis.
It is contoured according to the penis of a donkey(which has more pleasure giving bumps and ridges than the human penis) but is sensibly proportioned at 7½ inches long.
Until very recently the vibrating penis was a black market item selling at £10.00 or more, but we are able to offer this brand new concept in female stimulation at a more reasonable price of £3.99 POST FREE

AVAILABLE IN BLACK OR WHITE.

Nipple Lickers

Once again we thought it would be a good idea to find out what people thought about a new pleasure aid that has just come onto the market. We had heard that Nipple Licker Drops really add a great deal of fun to sex sessions. We sent our reporter out to speak with some people who had tried them. This is the report he came back with.

The first person I spoke to was Fred, who lives in Kent, and this is what he told me when I asked him about this new pleasure aid product.

"Nipple Licker Drops are wonderful. They really are fun things. They won't make a girl get into bed with you if she doesn't want to, but once she is in bed with you, and you use these things, they send her wild with lust. They really have added a new dimension to my sex life, made it much better than it was before.

"I first tried them out on Linda. I had been in my local adult shop that afternoon, and was browsing round the pleasure aid counter, saw this bottle of Nipple Licker Drops and they really did sound like a fun idea, so I bought some and took them home.

"Now for some reason, Linda wasn't in her usual sexy mood, normally she is always in favour of having a good fuck, for screwing is the most important thing in her life.

"Well, we had a drink, and then went to bed, but her heart wasn't in it, she really wasn't her normal self, usually she can't wait to get my cock into her mouth, or deep into her cunt.

"I mean, she was willing enough, and we had a reasonable good fuck, but she wasn't putting everything she had into it, and later, when we had rested, I asked her what was wrong, and she said she didn't know, she needed something to buck her up.

"So I produced the bottle of Nipple Licker Drops and suggested we try them, and she agreed, she said she would try anything to really put her in the mood for a fuck.

"I poured some drops on her right nipple, and then some drops on her left one, and then we waited, and we didn't have to wait for very long, for after just thirty seconds or so she smiled, and said they were making her tits go all warm and sexy, that it was sending a sexy glow right through her body, and I must admit that her nipples were now bigger and stiffer than I had ever seen them before.

"I leaned over and sucked gently at her right nipple, and that stuff tasted really good, really turned me on, and they – those drops I should say – had made her nipples so stiff and sensitive, that as soon as I started to suck at her right nipple, she had an orgasm.

"She kept saying that those drops were sending this warm sexy glow through her body, that they were really putting her in the mood for sex, and I carried on sucking at that nipple of hers, and I was really amazed at how big and throbbing that nipple was, and before I had sucked much longer, yet another climax had sped through her, and I stopped licking for a moment and looked down at her cunt, and saw that her pussy lips were gaping open, and that lots of beautiful cunt cream was coming out.

"She said those drops had made her randy as hell, and that her tits were really feeling warm and good, that her entire body was sort of tingling with lust, and would I please suck on her other tit, so I did just that, and again thought the taste of those drops was pretty good indeed, and again, as I sucked on her tit, she had an orgasm.

"Of course, I was really hard by this time, and she was dying for a fuck, she was really back to being her old self again, and I got on top of her, and as I eased the full length of my cock all the way into her cunt, so she gave this huge shout of pleasure and had one of the biggest orgasms that I had ever seen any woman have.

"I fucked really hard and fast, and she loved it, and the part she loved best was when I shot my spunk into her pussy.

"She was really randy after that, wanted to do everything she could, and a little later I again put some of those Nipple Licker Drops onto her nipples, but this time I also spread the stuff all over her boobs as well, and she was even more randy this time, she went wild, and you know, that stuff was so good that even as I was spreading the drops over her boobs, so she had a climax.

"So when you ask me what I think about those drops then I have to say that as an aid to sexual pleasure they are first class, in my experience they get birds really hot and horny and dying for a fuck, and anything that does that to a woman just has to be first class value for money, don't you think?"

Well, there was a satisfied customer if ever I saw one. But how about a woman's reaction to them. This is what Mary had to say to me when I talked to her.

"My boyfriend bought some of those drops at his local adult shop. He and I are always trying out something new, and that evening we tried them out.

"I was naked on the bed, and so was he, and h got that bottle of Nipple Licker Drops and then applied a few drops to my right tit, and then put some on my left tit.

"For a few seconds I thought they weren't doing anything, that we had wasted our money, and then, to my delight, my nipples started to tingle, and it was a really sexy tingle. Then my boobs started to get warm, a sort of sexy warmth if you know what I mean, and then my nipples became harder than they had ever been before.

"He leaned over and sucked at my left tit, and then said the drops tasted really good. Well, my nipples were so stiff and throbbing I thoght they were going to explode at any second, I really did.

"But that wasn't all, for the sexy feeling, that glow, that sexy warmth, that had started in my boobs now seemed to be spreading to the rest of my body, and I was now feeling so randy that my cunt was soaking wet, andusually it takes a bit of sucking, or some finger fucking to get me that wet.

"He again said they tasted good, and I said I had to find that out for myself, and so I sat up on the bed and then lifted my right tit up with both hands and then lowered my head, and by this time that nipple of mine was so stiff that I was able to get it all the way into my mouth.

"I sucked my own nipple, and I had to agree with him that the stuff did taste good, and although I have often sucked my own tit like that, in the past I have never had an orgasm from doing so.

"But this time, and it had to be because of the drops, as I took that very stiff and throbbing nipple into my mouth, I had this huge orgasm. It was a lovey orgasm, and I could feel the cream spurting from cunt hole.

"I sucked at my own tit for some time, and of course, I was randier than I had ever been before, and when I had stopped sucking, he put some more drops on my nipples, and then he got on top of me, and when I felt his really hard cock go slipping into my cunt hole, I shouted out loud and long, and had a really wonderful orgasm.

"That is unusual for me, for although I am a very sexy woman and like to fuck, it usually takes a couple of minutes of a cock shafting in and out of my cunt before I get an orgasm.

Attractant 10

Do you attract Women? **NEW Attractant 10**

Get to first base every time with the new, reformulated, highly concentrated Female Attractant Pheromones—the undetectable scents that attract women, without them being aware of it. The unique working ingredients—the two human pheromones including 5 ∝ Andros—16—en—3 one recently demonstrated on a major TV science programme have been combined with an irresistable musk fragrance to produce a powerful and arresting aftershave—the key to unlock a woman's sensuality and arouse her innermost desires.

What you should know about Pheromones

Pheromones are the undetectable natural scents that we exude and which affect the way we react to others, both socially and sexually. Scientists have recently been successful in isolating some of these Pheromones and the one of greatest interest to men is Androstenone which attracts women. We all know that there is a minority of men who seem to attract women without effort. These are the men with a high Androstenone level—less than ten per cent of the male population. For the rest of us, the mating game has always been hard work—until now. After several years of research Attractant 10, containing the Androstenone Pheromone and a second important human pheromone, is finally available to the public.

Experiments prove the effectiveness of Androstenone

Results of the many experiments demonstrating the effectiveness of Androstenone have been widely reported in the press. The following extracts from some of these reports are convincing proof that it is a powerful female attractant.

'Minute quantities were sprayed on a chair in a Dentist's waiting room. Women patients made straight for the chair' **The Sunday Times** (20.1.80)

'Male pheromone secretions not only attract women, but repel other males' **World Medicine** (GPs Journal)

'Heaven Scent! The secret of Sex-cess' **The Sun**

'Dr Alex Comfort suggests that the musky natural scents may act directly on the brain's sex centre to heighten arousal—but at a level below the threshold of awareness' **Cosmopolitan** (July '79)

'Our push-button world has come up with an instant answer for all men who can't pull the birds... Spray on Sex Appeal!' **Daily Mirror** (19.3.80)

What more can we say? What more proof can be given? One spray of Attractant 10 will last at least ten days and there is sufficient for fifteen sprays in each container. Enough to last for nearly five months. Spray and full instructions just **£11.50**

You can buy personally at most of the adult shops listed on the back cover

"Yes this time, as soon as his nice thick cock went into my cunt, I had a climax, and the only explanation for that is that the Nipple Licker Drops had made me so randy, so sexy that anything at all would have made me climax then.

"Well, he was worked up about this as well, seemed the taste had got him going, and his cock seemed to be bigger than ever as it went slipping in and out of my cunt, and his glans was really swollen, as he shafted me, as he thrust in and out, it may cunt walls bulge all the way out, and it was a really incredible fuck.

"I was heaving up and down, and he was fucking ever faster, and his glans was banging, his balls were slapping, and then, when he came, his spunk really flooded into me, more spunk than he normally shoots out, and it really filled me to the brim.

"Words of mine cannot fully explain he full beauty of the tremendous orgasm that I had as that spunk of his went flowing into my cunt hole.

"Well, all I can say is that we use those drops every single time we fuck now. We use them, and they have really improved our sex life.

"Mind you, our sex life was always pretty good, but since using those drops, it has got better and better all the time.

"I don't know how they work, but I do know that when drops are put onto my tits, when they are rubbed into my boobs as well as my nipples, then this very powerful sexy feeling goes right the way through me, and my nipples get really stiff and big and hard, and my boobs heave up and down, and my cunt becomes soaking wet.

"I would say that if anyone wants to really improve their sex lives then they should go to their nearest adult shop and buy a bottle of these Nipple Licker Drops.

"I would go so far as to say that any woman who has these drops rubbed into her boobs will turn into a real nympho. I know they turned me on so much that I found myself doing some very kinky things during that sex session. Yes, they are a wonderful product, I would say they are the best things that we have ever tried.

As they say, another satisfied customer. But seriously, that lady was really taken with those drops, couldn't get over the really sexy effect they had on her.

Let us now get another opinion from a man, he is Len, lives in Manchester, and when I asked him about these drops, this is what he had to say for himself:–

"They were fantastic. I never thought a pleasure aid would be so good for me, would improve my sex life so much.

"I've been married for almost ten years, and to be honest, sex with my wife has got a bit boring. Well, when you fuck with the same woman for ten years you get to know everything about her, and she knows everything about you, so there is nothing new, no surprises, and you sort of get stuck in a rut, the sex seems to boil down to the same old routine every single night. In other words, you need quite a boost.

"Well, I was in my local adult shop and came across these Nipple Licker Drops, and, to tell the truth, I didn't hold out much hope for them, thought they would be a load of old rubbish, but as the man said, I was willing to try anything once to try and snap my wife, and myself, out of the boring sexual routine that we had got ourselves into.

"My wife thought the same as me, for when I showed them to her she thought it was a con, that it would take more than just a few drops of liquid to make our sex life improve.

"But, as I had bought them, we had to try them, and so that night we undressed and got into bed, and I should add that neither of us were in a particularly sexy mood, if it hadn't been for the fact that we were going to try out the drops that night, I think it would have been the usual peck on the cheek and then straight to sleep.

"But on this night we used those drops. My wife was very doubtful that they would do anything, but anyway, I poured some of the drops on both her nipples, and then sat back and waited.

"Well, it was amazing, for after a few seconds she sat up and looked down at her tits, and so did I, and her nipples were bigger and stiffer than I had ever seen them before, and she suddenly gasped out that these drops were sending a sexy glow through her body and please would I suck her out.

"I hadn't sucked her pussy for ages, hadn't felt like it for a long time, but there was a look in her eyes that I hadn't seen for

a very long time, and she was panting with lust.

"I did as she asked and went down on her, and to my delight I saw that her cunt lips were pouting with lust, saw that those lips were really wet. It had been years since I had last seen those lips of hers coated with so much pussy juice.

"I used my fingers and parted her cunt lips, and she gasped out that those drops were making her feel more randy than she had ever felt before, and just one look inside her cunt confirmed that, for as I pulled her cunt lips wide apart, so this stream of cunt cream came out, she was really soaking wet in there.

"I eased my tongue inside her cunt, and we had become so used to each other, that normally it takes a lot of sucking to get her to climax, but this time, I only had to push my tongue inside her cunt and she had an orgasm, and as she climaxed, so lots of sweet tasting pussy cream came out all over my face.

"Well, as I licked and slurped away inside her cunt, so she climaxed time and time again, and it was really wonderful to have her respond like that.

"I pulled my face away and looked at her, and she was moaning with pleasure, and those nipples of hers were really stiff, and I moved up and sucked her right tit, and that nipple tasted really good, and I was really turned on by the taste.

"She was like a different woman, she was moaning and writhing about on the bed, and so I put some more drops on her nipples, and she again said that they made a sexy glow go right through her naked flesh, that she was feeling sexier than she had done for years, and please would I stop sucking her tits and hurry up and get my cock inside her cunt.

"She rolled over so that she was on her hands and knees, and I placed my hands on her bum, and then slipped my cock into her cunt from the rear, and she was so worked up that it was turning me on, and my cock was bigger than it had been for a long time.

"She climaxed many times over as I thrust my cock in and out of her tight cunt, and it was so wet inside her pussy that I just couldn't get over it.

"She kept climaxing while I was fucking her, and then she almost went out of her mind with pleasure when my spunk jetted into he quim.

"We are both agreed now that those Nipple Licker Drops are really wonderful things. We never thought that a simple pleasure aid product on sale at a local adult shop could have so much effect on a woman.

"We use them all the time now, and after all those years of marriage, and after having a boring sex life for the past few years, I can honestly say that we have both taken on a new lease of life, and if anyone asks me if thos things work, then all I can say is that any man who is having a boring sex life, should get some of those drops, and they will find, as my wife and I have, that they make a dramatic change for the better."

It all looks as if one marriage was helped by those drops. But let us get another viewpoint, this time from a woman. Her name is Clair, and this is what she had to say to me when I spoke to her at her home just outside London:–

"I found those drops to be really good. It was, Henry, the man whom I'm going with at the moment, who showed them to me and then used them on me. He said he had found them in his local adult shop.

"He had been looking round for something to help our sex life. I don't know why, but lately I had gone off the idea of sex, I just didn't seem to be enjoying it as much as I used to, and there is no point in doing things just for the sake of it is there?

"So we hadn't had real sex for a long time. Yes, I had given him the odd hand job, and h had finger fucked me, but he realised that it took a lot to get me wet, and he had to fuck me with his fingers for one hell of a long time to make me climax.

"So when he came round to my place with those Nipple Licker Drops, I thought I would give them a try. Mind you, I wasn't that hopeful, for I thought it would take mu much more than a few drops of liquid on my boobs and nipples to get me turned on, but then again, I was willing to try them out, for to tell the truth, I was missing all those orgasms that I used to get from fucking, and I really was willing to try anything that might put me in the mood again.

"Well, we got undressed, and I stretched out on the bed, and he opened the bottle and very carefully poured a few drops on my right nipple, and then a few more drops on my other nipple, and then we both sat back and waited. We didn't do anything, we wanted to find out if those drops did anything on their own.

"Well, I was delighted, in fact I was really amazed, there I was, not feeling in the mood for sex, thinking that those drops would not do anything for me, and the next thing I knew I had this sexy tingle in my nipples, and then those nipples of mine got really hard and stiff, and I mean stiff, stiffer than I had ever seen them before, and then that tingle seemed to spread from my nipples, and go all over my boobs. It really was a very nice sensation indeed.

"That tingle then turned into a sexy glow, and that glow spread through my body, but my nipples were really stiff, and I just had to have them sucked, and he leaned over and sucked them each in turn, and his cock really got hard as he did so, and he said that my nipples tasted really good, that the drops had a really sexy taste.

"But more important than that was the fact that as he sucked my nipples, as he took them between his lips and sucked gently at them, so I had a really good orgasm, the best orgasm that I had had fro some time, and indeed, the first orgasm that I had ever had in my life from having my tits sucked.

"I was also very wet inside my cunt, and we were both really pleased with the effect those drops had on me, for my tits were heaving, my cunt was wet, and that glow which had spread right the way through my body really made me desperate to get his cock inside me, I was really anxious to have a fuck, and he got on top of me, and for the firt time for a very long time, as his cock went inside my cunt hole, I had a really good climax.

"Well, at first I had thought that those drops, those Nipple Licker Drops would be a con, that they were a rip off, but I know different now.

"They had such a fanastic effect on me, they made me feel so very good, so hot, so sexy, and so wet inside my pussy, that I have no hesitation at all in saying to people, to men and women, that if they need that something extra to improve their sex lives, or if they need something to buck them up, to make them feel like sex again,then they should pop down to an adult shop and buy a bottle of those drops, for in my opinion, those Nipple Licker Drops are the best pleasure aid that has ever been invented!"

Well, that's all we have time for, but I should add that I spoke to many people about those drops, and they all said more or less the same thing, that they really did help to improve a person's sexual feelings.

It is nice to know, isn't it, that there is at least one new pleasure aid on the market that you can depend on?

Report on Fantasy Manor

For months now we have been hearing about a place called Fantasy Manor. This is supposed to be a huge country house somewhere in England, where they turn sexual fantasies into sexual realities. Well, we decided to investigate, and eventually found several people who had been to FANTASY MANOR. We spoke to them all at length, and this is what we found out.

It seems that Fantasy Manor is owned by two people, Max and Gloria. Max wanted to turn the place into a sort of sex clinic, but Gloria said the best way of helping people with their sexual problems was to make their sexual fantasies come true.

She suggested that people could write, state what their fantasies were, and then they could come down to the manor, pay the proper fee, and then have those fantasies, those sexual dreams come true.

It was a huge house, ten bedrooms, five bathrooms, huge garden, many out buildings, that sort of place, and it seemed that Max and Gloria then refurnished all the rooms, and then opened for business.

Well, as we mentioned, we were able to contact a few people who had been to Fantasy Manor, and we spoke to them, and asked their opinion of the place, and most of all, we wanted to know if sexual dreams really did become sexual realities, at this place.

The first person we spoke to about it was Mandy, a very rich young lady, and we asked her what had happened to her at Fantasy Manor and this is what she told us:

"I have always had this fantasy about being a Queen for a day. Being in a large room with five men, and being able to tell those men what to do. So I wrote to Gloria at Fantasy Manor and asked her if she could make this fantasy of mine turn into a reality, and she said she could.

"A few days later I went down to the place, and Gloria showed me into her huge room. It was the best furnished room that I have ever seen.

I stretched out on the bed and waited, and a few minutes later into the room came five really good looking men, they were all naked, and well hung, and Gloria smiled and said they were my sex slaves for a day, and they would do anything that I told them to do.

Just looking at those five naked men as they stood round the bed, was a fantasy come true, for Gloria had certainly done me proud.

I clapped my hands and issued my first order - after Gloria had left - and told the men to undress me. I knew, by the way, that Gloria and Max would be watching the action on closed circuit TV, and that added a thrill to what was going on.

The five men undressed me. I then started to live out my fantasy. I got them to line up and then walked along the line, they all had stiff cocks by now, and looking at those made my pussy juices bubble inside my cunt.

I knelt down in front of the first man and then took his cock into my mouth and started to suck, and his cock really tasted wonderful, and the other men watched as I sucked that first man off all the way, and when his spunk bubbled into my mouth, I had this very good orgasm, and the spunk tasted really wonderful.

I swallowed down every last drop of his sperm, and then moved to the next man, knelt down, took his cock into my mouth, and started to suck him off. This was my fantasy, and it was happening for real. Yes, at Fantasy Manor they really do pull out all the stops to make you happy.

The second man's spunk blasted into my mouth, and thee was one hell of a lot of it, but I drank it all down, had a good orgasm, and then sucked off the third man, and then the next one, and then the last one, and it really made me happy to have lived out my fantasy.

But that was only the start, for I then went over to the bed and stretched out, and I told those five naked men to join me, told them that I wanted to be licked and sucked all over.

They did a good job, and having five tongues working all over my body at the same time was a real treat.

When the men were all hard again, I had them fuck me one after the other. Yes, that had been the main part of my fantasy, to be fucked by five well hung men one after the other.

"They were all first class fuckers, they really did know what fucking

was all about, and I almost went out of my mind with pleasure as five cocks, one after the other, thrust in and out of my tight cunt hole.

"But that wasn't the end of if, for then we went into the bathroom where there was a sunken bath, and we all jumped in together, and that was really wonderful.

"Once we had dried off, it was back into the bedroom, and I was flat on my back, and I had those men stand over me, and told them all to wank off, told them that I wanted their spunk to fly and shower all over every part of my body.

"They did it very well indeed, coated me with thick beautiful spunk, and as it showered through the air and splattered all over my body, I had the most amazing orgasm.

"So when you ask me about Fantasy Manor then all I can say is that Max and Gloria really do deliver the goods at that place. I spoke to other people while I was there, and they all agreed with me that no matter what your fantasy was, Gloria and Max could make it come true.

"I feel that the people at Fantasy Manor are doing a first class job, they are providing a very good service, for how else could people like me have their wildest kinkiest sexual fantasies come true?"

Well, she seemed happy enough with the service, but we had to make sure, so we spoke with Tim, who had also been to Fantasy Manor. We asked him what his fantasy had been, if Gloria and Max had really made it come true for him, and did he think it was worth the money. This is what he told us:

"My fantasy was to act out the role of a blue film director, to direct a blue film, and then be able to fuck with any of the cast that I really fancied. I told them this at Fantasy Manor and Gloria promised that she would arrange it down to the very last detail, and she did, she gave me just what I wanted, she made my sexual fantasy come true, and how.

"When I arrived at Fantasy Manor, things were all set up, there was a real film studio, a cameraman, lightingman, a make-up girl, and the cast, two women and one man.

"I soon got into the swing of things of being a blue film director, and had those two women performing, and what pleased me was the fact that it was a real film, and that the only copy of it would be sent to me when it was processed.

"It was a fantasy come true, a real sexual dream, I was directing a blue film, and I was having the time of my life.

"Of course, part of the dream was that after the filming was over, I could fuck with one of those female blue film stars.

"The one I picked was Helen, she was tall, blonde, had a stunning figure, and was sexy as hell.

"Gloria took me to this huge bedroom, and a few minutes late Helen came in, she was naked, and as she joined me on the bed she said it had been a pleasure to work with me on the film, that if I ever wanted to, she was sure I could make it as a real blue film director.

"I thanked her for the compliment, and then pulled her close, and her firm breasts pressed into my chest.

"I kissed her on the mouth, and she pushed her tongue into my mouth and then started to rub her wet pussy against my cock.

"She was sexy as hell, and fucking with a real blue film start was a dream come true.

"She moved down my body after a while, and then the tips of her tongue started to move up and down my shaft, and then down all over my balls.

"She was a real expert at what she was doing, and pretty soon my cock was harder and stiffer than it had ever been before.

"Then my glans were all the way inside her mouth, her lips round my shaft, my balls in her hands, and she was sucking nice and softly, and then her head started to go up and down, and she was now sucking so hard and so well, that I thought she was trying to turn my cock inside out, it really was an incredible feeling.

"I called out that I wanted my spunk to go over her face, and she winked, and then sucked harder then ever, and then pulled my cock from her mouth and ran her fingers up and down my shaft.

"My spunk started to spurt from my cock, it showered all over that beautiful face of hers, and she liked it so much that she had an orgasm.

"She kept pulling at my cock to make sure she had got every last drop out of me, and then, again doing as I asked her, she wiped some of the sperm from her face with her fingers, and then she popped her fingers into her mouth and sucked them dry.

"Yes, this was amazing, I had directed a blue film, and was now fucking with a female blue film start, you could say that my sexual fantasy was coming true right down to the last detail, thanks to Gloria and Fantasy Manor.

"I thought it would be nice to suck her pussy, and when she was flat on her back, I went down there, and sucking me off had made her randy as hell, for her cunt lips were pouting wide open, and lots of sweet scented pussy juice was dribbling out.

I parted her lips with my fingers and then had a good long look inside her, and what a beautiful sight that was as well.

"I pushed my tongue inside her pussy, and that sexy woman climaxed on the spot, and her juices really washed into my mouth then.

"I drank them down, and then started to waggle the tip of my tongue about inside her, and again she had this huge orgasm. She wasn't faking, this was for real.

"I sucked her for ages and ages, until my cock started to get hard again and then I moved up the bed and rubbed my cock over her tits, and that got me really stiff, and as I was on top of her anyway, I just snaked down and then pushed my throbbing cock all the way into her tight cunt.

"She heaved up and down as I started to thrust my cock in and out of her cunt hole, and I could feel that hot thick cream of her probing round my shaft.

"I really did fuck that lady hard and fast, gave her just about everything I had, and she was really joining in, shouting and writhing and having orgasms.

"But the biggest orgasm that she had, came when my spunk jetted into her pussy hole. Then I felt her cunt walls squeezing at my cock, as she tried to make sure that she drained every last drop from me.

"After I had pulled my cock from her cunt, she went down on me, used her tongue to lap the odd drops of sperm from my pussy, and then, to my delight, she reached down with her right hand, and then she pushed three fingers all the way into her spunk filled pussy hole and gave herself a good wanking.

"What else can I say, except that for the rest of the day that girl and I fucked outselves silly. But what I do have to say is this. Fantasy Manor is not a con, it is not a rip off, this place is genuine, and Gloria and Max do really deliver the goods.

"I would say that no matter what your fantasy is, no matter how kinky it is, no matter if you are male or female, then these people down there at the Fantasy Manor will be able to make every single one of your sexual dreams come true.

"As far as I am concerned, they are doing a first class job down ther. Fantasy Manor is a fabulous place."

Well, yet another satisfied customer. But we did talk to others, and the next one was Wendy, and we asked her about her fantasy, and if the people down there, Gloria and Max, had been able to satisfy her in making her sexual fantasy come true, and this is what she told us:

"My fantasy was that I wanted to take part in a huge lesbian orgy. A really good, hard, kinky, lesbian orgy with three other girls.

"I wrote to Fantasy Manor, and Gloria wrote back and told me she could arrange it with no problems at all, that she would get me four of the most beautiful women she could, really sexy and kinky ones.

"I went down to Fantasy Manor the following day and Gloria showed me into this huge bedroom, and then she introduced me to the four girls, Kate, Sue, Jane and Vera.

"Well, Gloria left us, and the four girls undressed, and then said that as it was my fantasy they were going to turn into reality, then I should call the shots, that they would do anything I asked.

"Well, I'd been with other women before, but never with four at one time, that was why it was a fantasy of mine.

"I told them to undress me and they did, and then I told them what I wanted, went over to the bed, and stretched out.

"Kate got on my left side, and her head went down, and she took my left nipple in her mouth and started to suck very gently on it.

"Sue was on my other side, and she started to lick and suck my right breast, and this sent waves of passioin through my body, and soon my cunt was soaking wet.

"Jane then got between my legs, and a few seconds later I felt the tip of her tongue moving all over my pussy, and as she slurped up my juices, she said how lovely I tasted.

"Then her fingers went to my cunt, and she pulled my cunt lips wide apart.

"Just having her look into my cunt gave me a thrill, but she didn't look for long, for her head went closer and then I felt the tip of her tongue starting to waggle about inside my pussy hole, and she was very good at it, and as an orgasm went through me, so my juices streamed all over her face.

"Then she had her tongue deep inside me, holding that tongue of hers very stiff, and she kept flicking it in and out, and soon I was having the most wonderful climaxex.

"Then Vera got into the act, and she did just as I had told her to, she moved up the bed and then crouched over my face, and she crouched there, and I looked up and saw every detail of that beautiful pussy of hers, a nd could see the pouting flesh and the drops of juice.

"Then her hands came down, and she pulled her cunt wide apart so that I could look up into her hole, and then her fingers went inside herself and she started to wank off very fast indeed.

"Of course, as she wanked she climaxed, and as she climaxed, so her thick pussy juice went all over my face.

"Then, when I gave the word, she sat down on my face, and her juices tasted wonderful, and I soon had my tongue up inside her and was sucking away like mad.

"Yes, this was my fantasy, and thanks to Gloria and those girls from Fantasy Manor, that fantasy, that sexual dream of mine, was turning into reality.

"I had a girl sucking my left nipple, a girl slurping away at the other tit, and a girl with her tongue all the way inside my pussy hole, and yet another naked girl sitting on my face. No wonder I was having the most intense orgasms of my entire life.

"Of course, I kept having the girls change places, so they all took turns of sucking my cunt or sitting on my face. Yes, this fantasy was as good as I had expected it to be, even better in fact.

"I then had a rest, and I had those four girls finger fuck each other one after the other.

"Then I got them to stretch out side by side, and I first of all went down on Kate and gave her cunt a suck, and then did the same to the three others.

"Then I stretched out on the bed again, and had them suck my cunt one after the other.

"Yes, I was there all day long, didn't take a break except for coffee every now and then, and those four girls did everything that I asked them to.

"I did ask them to do some really kinky things with me in the bathroom, and they really did enjoy it, and it proved that what Gloria had said had been correct, she had said those four girls would do anything and everything that I wanted.

"Well, towards the end of my time there, I got back into the same position as when I had started with a girl sucking my right tit, another my left, one sitting on my face and the last with her tongue inside my cunt and slurping and sucking me for all she was worth.

"I had, while with them, put a dildo, strapped on to myself, and then I had fucked each of them in turn with it, and then they did the same thing to me.

"But listing all the things we did together would take ages and ages, so just take my word for it, when Gloria and Max, down at Fantasy Manor say that they will make even your wildest and kinkiest dream come true, they really mean it.

"They are so highly organised down there, they have such a huge staff, they have contracted with so many sexy people, that no matter how perverted, or straight your fantasy may be, no matter how complex, or simple it may be to arrange, they will always pull out all the stops to make sure that your sexual fantasy does turn into a sexual reality."

Well it would seem that they cater for all types down at that Fantasy Manor. But we still weren't convinced, we still wanted to speak with other people, and so we contacted Jeff, who had paid a visit down to that place and we asked him how he had got on, and this is what he told us:

"When I heard that Fantasy Manor had opened, I wrote to them and asked them if they could help make my fantasy come true.

"I said that I wanted to act out the role of an arab prince and have my own harem of lovely naked girls, that I should be treated like a very rich and powerful man, that the girls would do anything I wanted them to do.

"Well, Gloria got in touch with me and said it was a smashing sexual fantasy, and that all the staff at the manor would be more than willing to make the thing come true for me.

"So I went down to the place, and there I was dressed up in arab robes adn then Gloria took me to this huge suite of rooms, and the rooms seemed to be packed with girls all dressed up in harem costumes.

"Yes, it was a real harem, there must have been thirty women there.

"Gloria told me that it had been hard work, but she had found thirty women, all bisexual, all versed in all the arts of sex, and that they would do anything I wanted. She said it was one of the most interesting fantasies that she had ever worked on, and as she left she said she hoped I would enjoy myself.

"Well, there I was, dressed up like an arab prince, and I went over to the pile of cushions in one corner of the room, and a girl came over and said she was Fatima, my handmaiden, and that she would convey any orders that I might have to the girls.

"Well, to tell the truth, I was at a loss for words, I was really taken back by seeing so many beautiful women in one place.

"Yes, my fantasy was becoming real, my sexual dreams were turning into sexual realities, but there were so many women there, in the suite of rooms, that I really did not know how to begin.

"I had Fatima pour me a drink while I thought about it, and then asked her if she had any suggestions, and she pointed at two girls and said they were two expert cock suckers.

"That sounded good, I had Fatima undress me, and then I called them to suck my cock, and just to make it interesting, I told Fatima to call six more girls over and to have them dance naked while I was being sucked, and then, to make it even more interesting, I told her to get all the other girls, all of them, to come into this main room, strip, and then have a naked lesbian orgy with each other.

"Well, it was a dream come true. Just imagine it, there I was naked, on a pile of cushions. Fatima was making sure that everyone was doing as I asked, and two expert cock suckers were lapping and slurping away on my prick, and six girls were dancing naked, and dancing really well, and almost twenty other girls were all rolling round on the carpet, all of them fucking and sucking with each other, all of them engaged in what must have been the biggest, and the best, lesbian orgy of all time.

"The two girls were real experts the ones working on my cock, and they made me bigger and harder than I had ever been before, and I was watching them, then looking at the dancers, then looking at the twenty girl lesbian orgy. Yes, this was a fantasy come true, and no one but Fantasy Manor could have arranged it so well.

"My spunk started to gush from my cock, and the women took it from her mouth and held it to her face and I liked the way she climaxed as my spunk went all over her face.

"Gloria had told me that those girls would do anything that I asked so I thought now was the time to find out, and so I told the second girl to use her tongue and lap up my hot spunk from the first girl's face.

"She smiled, said that my slightest wish was her command, and then she moved over, and soon her darting red tongue was lapping every last drop of hot sperm from the first girls face, and they were both climaxing while this was going on.

"That lesbian orgy was going great guns, so much so that the entire suite of rooms was reeking with the sweet smell of pussy juices.

"Well, what else can I say except that I made a right pig of myself. There were some dildos there, and I had some girls put them on and fuck other girls with them.

"I had six girls perform golden shower games with each other in the huge sunken bath.

"I had girls finger fuck and such each other, and of course, each and every time that I was hard, I fucked as many women as I could. I just lined them up on their backs on the carpet, shoved my cock into the first girl's cunt, fucked her for a minute or so, pulled my cock out, had her lick her own juices from it and then moved on to the next girl, fucked her for a while, and then moved on, and so on till I came to a girl that took my spunk into her pussy.

"Then I had one of the other girls go down on the cunt that I had just come inside, and had her suck it all out. Kinky? Perhaps, but then again, this was my fantasy being turned into reality, and anything goes when you are doing something like that.

"Yes, I had the time of my life there, and it ended with all the girls lining up, and then taking it in turn to have a quick suck of my cock, and I managed to have those girls go round twice over, yes thirty girls sucked my cock quickly, then they all did it again, before I came, and the girl who at last took my spunk inside her mouth had a huge climax when she drank it all down."

Well, that's all we have space for, and even we are now convinced that the people down at Fantasy Manor really do deliver the goods when they say that they can turn your sexual fantasies into reality. We have spoken to lots of people who went to that place, and all of them, each and every one of them, were more than happy with the service they received. It would seem to us that Gloria and Max, of Fantasy Manor have got on a first class idea, and that if you have a sexual fantasy that you wish to be turned into a sexual reality, then you should pay a visit to that place.

HOT TIME

It was really hot on that beach. Candy lay there on her towel shielded her eyes from the sun. It was just before the start of the season on that Greek island, she always liked to go places before the mass of tourists turned up, there were plenty of beaches on the island, and she had picked a deserted one.

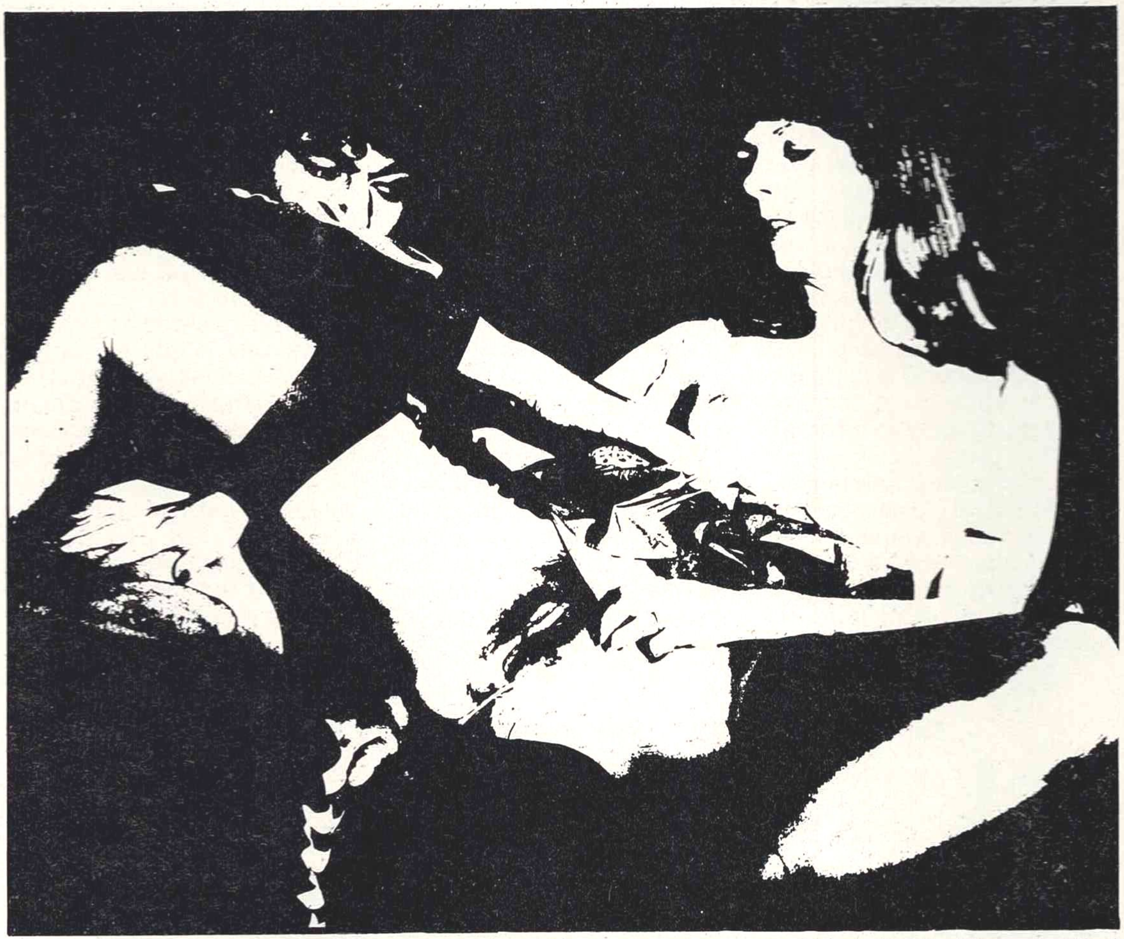
And, because it was deserted, she had decided to get an all-over tan, and was naked on that beach, and she felt very sexy as the sun beat down on her flesh.

She was on her back, her legs open, could feel the sun on her pussy, and she loved that feeling.

Her breasts were so firm, that even though she was flat on her back they didn't flop at all, and the stiff red nipples pointed up at the blue sky.

She smiled to herself, and then her right hand moved slowly down her naked body, and she shook with delight as the tips of her fingers found her pussy lips.

Candy didn't often wank, but she liked to do it every now and then in the open air, and it was such a perfect day, and anyway, there was no one about, and so she rubbed at her pouting lips of her pussy, and then as she grew wetter inside, she slipped first one finger, then two into her fuck tube and started to wank off.



Her eyes were closed now, and her fingers were going ever faster in and out of her pussy, and the creamy fluids were spilling out onto the sand.

Gregor was a waiter at the local hotel, and every morning he liked to take a stroll along the beach, and his eyes lit up when he saw the naked girl in the distance, and then his cock strated to get hard as he drew nearer and saw what the woman was up to.

He was about ten yards from her now, and the bulge in his swimming trunks was huge, and then he recognised the woman as one of the guests at the hotel.

He smiled and crouched down and just watched.

Candy was wanking faster than ever, her eyes were still closed, and she was unaware of the fact that she was being watched.

The man could stand it no longer, he loved that woman's body, loved the way the fingers were slurping in and out of the cunt, and he stood up, peeled off his swimming trunks, then just stood there, looking at her as he took his thick prick in his right hand and started to play with himself.

Candy plunged her fingers deeper into her cunt, and then had an orgasm, a massive orgasm, and she shouted loud with delight.

She opened her eyes, took her fingers from her cunt, and as she was feeling really randy, she then placed them in her mouth and sucked them.

She could feel the sun, could sea and the call of the seabirds, and then she became aware that she was being watched, and she lifted her nead and saw the man.

At first she was shocked, but then when she had a better look at the man's cock, a thrill went through her. Wanking ha made her randy, and that man's cock although not that long, was one of the thickest she had seen in her life.

She sat up and smiled, and that was all the man needed, he stopped playing with his cock and walked over to the naked woman.

It was obvious what she wanted, and Candy made it doubly plain, for she reached down and used both hands to pull the lips of her cunt wide apart.

She was slightly shocked at herself for doing this, but that wank had made her desperate for a cock, and anyway, she was on holiday, and girls did things on holiday they would not dream of doing at home.

She pulled it wide and smiled, and the invitation was obvious, and theman moved over and then down and looked into the depths of that hole, and when he saw the pink wet flesh inside the twat, his cock jerked like mad.

"Suck me," said Candy, taking her hands away from her cunt and placing them on her firm boobs. "Suck me out."

She kneeded her breasts with her fingers, pulled at the nipples, played with those fabulous boobs of hers and this made her even wetter.

The man went down on the cunt, and his tongue started to flick all over the pussy flesh, and he sighed with delight when he found how sweet the woman tasted.

Candy moaned with delight, pulled harder at her nipples, and then moaned some more, for that tongue was lapping harder at her cunt lips now, and she could feel an orgasm starting to build up inside her.

The man lapped and sucked at the vaginal flesh, he couldn't get over how nice that flesh tasted, and then his fingers flashed onto the lips, and he parted them and had another quick look inside the cunt hole, and then his tongue went inside.

Candy screamed with pleasure, heaved on the sand and then yelled again, for the tongue going deep into her cunt had given her an orgasm on the spot.

She arched her back, her bum jiggled about, and she felt her creamy fluids bubbling as the tip of that tongue moved over the inside of her quim.

That tongue was like magic inside her, she thought, it was doing things to the inside of her quim that were out of this world, and then, when the tongue was held very stiff, when it was used like a cock, when it was flicked again, and she could hear the man slurping away as he drank down her juices.

The man could hardly believe his luck, but he did not question it, if this woman wanted a sex session then he was just the man to give it to her, and it made a nice break from his duties at the hotel.

He considered himself to be something of an expert sucker of cunts, and he proved that this was so, for his tongue worked its way round every part of the inside of that fuck tube, and he applied just the right amount of suction with his lips to make that woman come time and time again.

He kept sucking for ages, and the sun felt good on his back, it was the first time he had performed an open cunt suck on a woman, and he had to admit that there was a lot in its favour.

In the end he came up for air, and he rolled over, and Candy looked at that throbbing cock of his and a wave of passion went through her, she just had to find out what it tasted like.

She went down on that man, and licked with her tongue at the shaft, and then that tongue moved up over the pumping glans, and he thrilled when she realised how salty that cock was.

The man moaned softly to himself, he had wanted to drive his cock into that cunt, but this was nice, and if the lady wanted to suck him off all the way, then he wasn't going to complain, after all, it wasn't every day you had a stroke of luck like this.

Candy moved her tongue all over that cock, and then slowly drewe the glans into her mouth, and her cheeks bulged out as she took the entire glans inside her mouth.

That cock seemed saltier than ever before, she thought, as she moved her head up and down, and she sucked hard and long, flicked at it with her tongue.

As she was sort of half twisted rond, the man was able to get his right hand to work, and he pushed it between her thighs nad first of all used the tips of his fingers on the cheeks of her arse, and then, when the woman had climaxed from that, he removed his hand, and then pushed two fingers into the cunt, and he smiled with joy when he realised just how wet she still was in there.

His fingers glided and slurped very slowly in and out of that pussy. He didn't want to put her off her stroke, didn't want to make her climax too many times, for he wanted that suck to carry on without interruption, that was why he finger fucked her nice and slowly.

Candy liked it that way, loved the feel of the fingers up inside her hole, and she sucked a little harder, almost taking the glans down her throat.

She could feel that glans pumping and throbbing with blood, and she felt the balls with her fingers, and knew the man was about to come, and she sucked hard, and then the spunk did come, and it blasted into her mouth with a great deal of force, and as she started to drink that spunk down, she thought it just had to be the biggest amount of sperm that she had taken into her mouth at one go.

The man was heaving and gasping, it felt as if his cock was being turned inside out, for as his spunk jetted out, so the woman carried on sucking hard.

Candy was determined to get every last drop of stuff from the man, for the more she drank down, the more intense her orgasms became.

She wanted as many orgasms as possible, and she sucked hard, right down to the very last drop, and then, when it was obvious there was no more left, she let the cock slip from her mouth.

Neither of them said anything, they didn't have to, they had both enjoyed it, and it was obvious to them both that there was more to come.

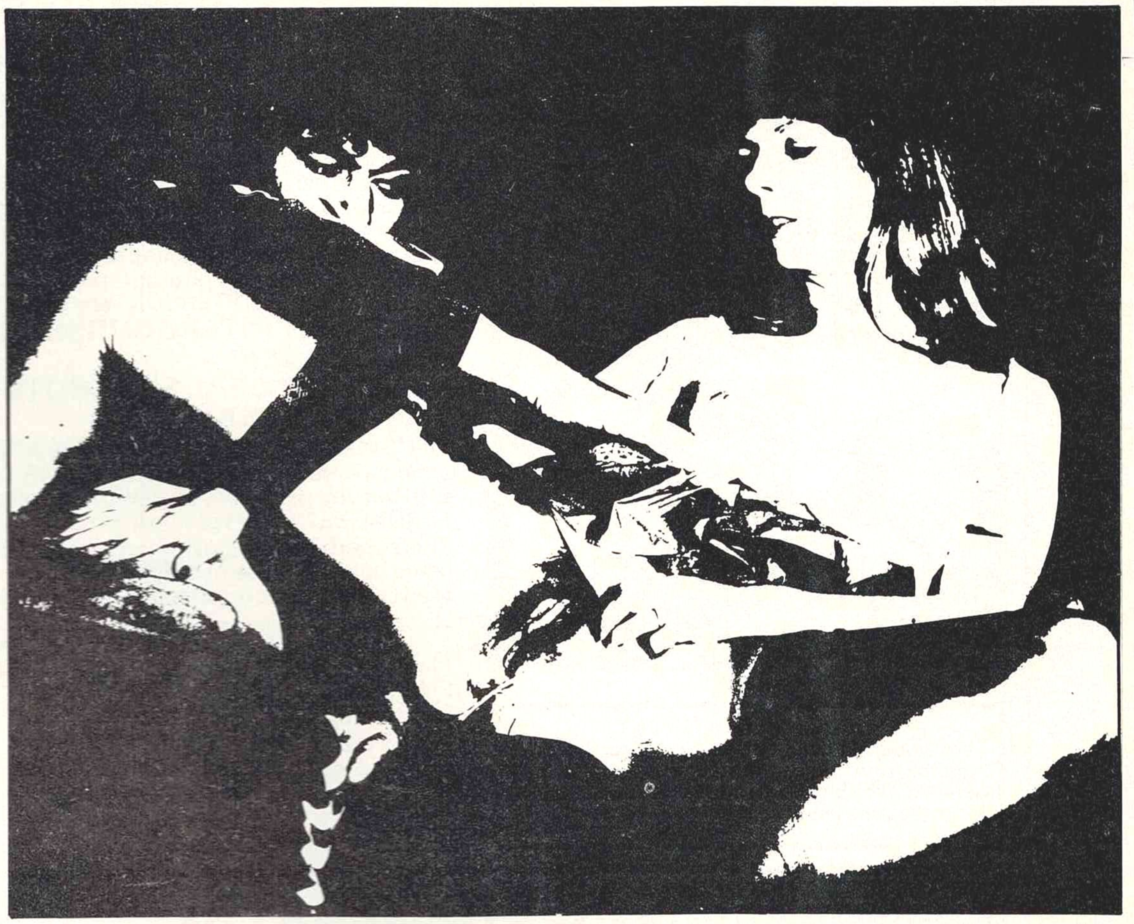
The man stood up and went down to the sea, and Candy followed, and for a while they splashed about, and when it became rather obvious that the man's cock was starting to get hard again, they went back up the beach, they flopped down on the towel, and then moved close.

They placed their arms round each other and kissed, and Candy drove her tongue deep into the man's mouth and started to flick it about, and the man ran his right hand over the cheeks of her bum, and then the fingers were gliding up and down the cleft, and this made Candy so randy, she thought she going to climax just through having her bum touched, and that for her was very unusual indeed, but the man was so good with his fingers, knew just what he was doing, that she did have an orgasm, she shouted as she pulled her head back, and then looked at him and said one word, and that word was "Fuck".



The man nodded, he didn't speak English, didn't have to, for the fuck was the same in any language, and even if he had not understood the word, he would have understood that look in that woman's eyes.

That look was saying 'Put your cock into my cunt and fuck me'. Yes, that look was the same in any language, and if you have ever seen that look in a woman's eyes there is no mistaking it, and there is also no forgetting it.

He rolled on top of her and she put her arms round him, and then she shivered with anticipation as she felt the hard head of his cock pressing against her cunt lips.

He could feel the little drops of cream dribbling out over his cock and he loved that feeling, so instead of pushing his shaft into that cunt right away, he just moved it about against the cunt lips, and then, by changing aim just a little, he was able to rub the head of that cock against the woman's clit.

The orgasm hit her like an electric shock, she had never known her be as sensitive as it was at that moment, and when the hot throbbing glans rubbed against it, she yelled loud and long, and as the orgasm hit her, so her cunt lips seemed to open up of their own accord, and there was a wet slurping sound as the cock went in.

The man hadn't aimed to put the cokc in right at that second, but as the cunt lips parted because of the orgasm, so the suction from that wet cunt was so great that he felt his cock being dragged into the hole, almost as if that fuck tube had been a vacuum cleaner. He was amazed, but delighted.

The cock slurped in, and Candy climaxed again, she had been right, it was the thickest cock she ahd ever known, and it filled her up, right to the brim, it felt better and thicker and hotter than any cock she had ever before had inside her fuck hole.

The man thought it the most perfect cunt he had ever been inside, and he lost no time at all in thrusting in and out.

Candy rocked her head from side to side, she felt the climaxes pound through her. Usually it took a good couple of minutes of hard fucking before she came, but what with being in the open air, what with feeling that sun, she climaxed as soon as the man started to fuck.

She thought it the most wonderful fuck she had known, that man wasn't going very fast, but his thrusts were deep and solid and hard, making her shake all over each time the glans banged into the very depths of her juicy tube.

She lifted her legs up high, and the cock went even deeper into her cunt, then she brought them down round the man's back and started to heave her bum up and down.

The man was sweating, was panting, but he kept up those deep hard thrusts, hearing the slurping from the cunt, feeling the lips slapping against his balls, feeling those ribbed walls rasping against his cock.

This is the most perfect pussy ever, he thought again, as he carried on fucking. This is the most perfect pussy ever, he thought again, as he carried on fucking. This is the sort of pussy I have dreamt about fucking.

Candy was aware that she was yelling her head off, that the orgasms were the most powerful she had ever experienced, and she didn't want that fuck to end.

The man worked hard, thrust and hammered, then paused, then went at it again, using every trick of pace and speed that he knew to give that woman pleasure, and by giving her pleasure, he was giving himself untold pleasure. This fuck would surely be something to brag about in years to come.

Then the spunk started to fly, and oh, how it did fly, it cascaded into that tight pussy, it billowed into that cunt, it gushed into that twat, more spunk than he had thought himself capable of, and Candy loved it, loved that huge flood of sperm which seemed to be drowning her from the inside.

The man pumped away till the very last drop had been ejaculated from his cock, and then he removed it and rolled over.

They lay side by side, the man thinking about the wonderful wetness and tightness of tha hole, the woman feeling that thick amount of spunk moving about inside her cunt.

Candy reached down, and she finished that session how she had started it when on her own, her fingers played with her pussy lips.

Under that hot sun, on the beach, with the sea lapping the sand, they looked at each other, and then Candy rammed her fingers into her cunt, nad she wanked herself to another series of amazing orgasms; and that waiter thought that he would have to come for a walk along that beach more often.

Product Test - Interview

With all the new pleasure aids coming onto the market, we thought we should test one every now and then. We had heard that there was a super new Electric Dildo on sale at most adult shops, and so we asked Rose, a model who has posed for us many times, to go out and buy one at her local adultshop, test it out, and then report back to us. This interview is conducted for us by Ted Gunt.

TG: Rose, what were your first impressions about this Electric Dildo?

Rose: I should say that every woman should have one.

TG: As good as that, is it?

Rose: Yes. I would also say that any man who doesn't buy one for his wife or girlfriend is missing out on a great deal of pleasure. I know that most of your readers are men,and I would say to them that they should go out and buy one. It will really improve the pleasure of the girl they are going with, and any girl who has one of these things used on her will have so many orgasms that she will always be very grateful indeed to the man in question.

TG: Okay, when you walked into your adult shop, did you tell the manager that you were going to test this product for us?

Rose: No, I just walked in, took a brand new Electric Dildo from the shelf and paid for it and took it home, for you had insisted that I act like any normal customer and buy one off the rack so to speak, so that the one I bought could have been bought by any customer who happened to be in the shop at the time.

TG: Yes, we thought that was the fairest way.

Rose: I did as you asked and took it home.

TG: Have you ever used anything like this on yourself before?

Rose: Like most sexy women, I do masturbate from time to time when I'm on my own. I also like to wank off when I'm with a man, for I find that really turns him on. I also like to have a man masturbate me with something from time to time, for it all adds to the pleasure of the sex session.

TG: What have you used in the past?

Rose: Well, obviously, what most women use are their fingers. But I have also wanked with a candle, and a vibro, but I must admit that I had never used a real dildo before, and never an electric one.

TG: What were your first thoughts about it?

Rose: When I got home I looked at it very carefully indeed, and my first impression was that it was very well made. It was quite a large one, but I knew that if my pussy was wet enough there would be no problem about getting it all inside me. I thought that the shape of the thing was very good, it had been obviously very well designed, and I thought it would fit very nicely inside my pussy.

TG: Any other thoughts?

Rose: Well, yes. Any wanking impliment, and this is one, has to give the woman as many orgasms as possible. I've had vibros in the past that were so weak I could hardly feel it inside me, so my main test with this new Electric Dildo was going to be the number of orgasms it gave me when I used it on myself.

TG: So price didn't really come into it?

Rose: No, well, you can't put a price on pleasure can you? Cost would only come into it if it didn't work. If it gave me lots of climaxes then it really didn't matter how much I had to pay for it.

TG: Did you try it out on your own first, or with your boyfriend?

Rose: Well, I wanted to try it out on my own first of all, for this was a test, and I had to make sure it would perform well. Though later, I did try it out with Ken, my lover.

TG: Tell us about your solo test first then.

Rose: I used it on myself just half an hour or so after I had bought it. I will admit that the shape of the thing, and the feel of it in my hand really did appeal to me. As soon as I handled it I wanted to get it inside my pussy.

TG: That speaks a lot for the product.

Rose: Yes, it does, for I had never felt that way about a wanking implement before. Most things I can take or leave, but there was something about this new Electric Dildo that made me want to get it inside my pussy just as soon as possible, for even just holding it in my hand made me think it would give me lots of pleasure.

TG: Okay, how did you test it? Please tell us in detail, for I'm sure our readers would wish to know how you did it every step of the way.

Rose: All the details?

SVEN VIDEO SALES (Dept XY) 228 Green Street
Forest Gate London E7

TG: Yes, please.

Rose: I had a shower, dried off, then got onto the bed, and lay there stark naked, with my legs apart. I switched the dildo on, and I knew that I would have to be wet inside, and so I didn't put it inside my pussy right away. I just held that huge thing by the well shaped balls and then rubbed the glans shaped end all over my pussy lips.

TG: How did that feel?

Rose: It felt very nice indeed, it was quite powerful, better than any vibro I have ever tried out, and the glans end of that dildo was so well designed that to be honest, it felt just as if there was a man's real live cock pressing against my cunt lips, and that was a very nice sexy sensation, and sent thrills of pleasure through my body, and of course, feeling as I did pressed against my pussy lips, it wasn't long before my juices were really creaming up inside my cunt hole.

TG: How long did it take to get you really wet?

Rose: Not very long at all, just a matter of 30 seconds or so, which was very good, for I usually take much longer than that to cream up inside my cunt.

TG: So this Electric Dildo had passed the first test with flying colours?.

Rose: Yes, it had. Well, there is no point in someone making a really thick dildo and then not making it powerful enough to make the woman wet before she pushes it into herself, is there?

TG: No, I suppose not.

Rose: Well, I pressed the glans shaped end against my pussy, and like I said, I became wet indeed in a very short space of time, and the throbbing from that electric dildo really turned me on a great deal.

TG: And then what did you do?

Rose: I think the next part should be obvious. I slowly pushed the full length of that thing all the way into my pussy, and I was so wet inside my quim by that time, that it went in very easily indeed. This wasn't just due to the fact that I was soaking wet through, it went in very easily because it was also so very well designed, almost as if it had been made with my pussy in mind.

TG: You said the pleasure factor was very important, so how soon after you pushed it into your pussy did you have an orgasm?

Rose: Almost right away.

TG: Just so we can make this a real test, would you tell us how soon, usually, it takes you to come once something is pushed inside your cunt?

Rose: That is hard to say, it all depends on what it is, how big it is, how worked up I am. But I will say this, that no other wanking implement that I have ever had inside my pussy had made me come quite so quickly.

TG: So this second test was a success?

Rose: Yes, it was, for as I slipped the full length of that lovely Electric Dildo all the way into me, I did have a real good orgasm. It wasn't a small one either, it was a really big one, a huge one, and made me gasp with sheer pleasure. It felt really good in there, and you know, just by having it in there made me very happy. I didn't have to actually wank with it, didn't have to push it in and out of my cunt to get orgasms, it was so well shaped, so well designed, that just leaving it in there buzzing away deep inside my quim, gave me a great many really good orgasms.

TG: But of course, you did wank with it?

Rose: Of course, it had to be a really full test. I found it very easy to hold, the end of it was shaped so well, that I was able to get a very firm grip on it with my right hand, indeed, at one stage, I was using both hands on it, but like I said, you didn't have to use it hard, for the throbbing of it on its own was enough to make you come. Of course, you could turn it off and use it just as an ordinary dildo.

TG: I suppose you kept it switched on all the time?

Rose: Of course. I worked it in and out of my pussy quite slowly at first, just eased it in and out, and it really made my juices flow, really made me soaking wet inside my cunt.

TG: How fast did you go in the end?

Rose: As fast as I could, I wanted to see how durable it was, and gave it a really hard test, and in the end I was plunging that Electric Dildo in and out of me just as fast as I could go.

TG: From what you have already told us, this next question may sound silly, but it has to be asked. Did this dildo give you all the orgasms that you expected it would?

Rose: It gave me much more. I was amazed at the effect it had on me, for as I hammered it in and out of my cunt, so the orgasms really powered through me, and for the first time in my life - when using something inside me other than a real cock - I had a full multiple orgasm. Yes, this was the first wanking impliment that I have ever used on myself which gave me such an orgasm.

TG: That obviously speaks for itself. Okay, now tell us what happened when your boyfriend used it on you, did he like it? After all, men buy most pleasure aids these days for their wives and lovers.

Rose: He loved it, he really did. Well, after a man has fucked a woman, he likes to rest, but the woman sometimes wants to go on and have more orgasms, and this is where something like this dildo really comes into its own.

TG: So what happened?

Rose: Well, as usual, when we got together, he fucked me, and it was a really good fuck, his cock seemed to be bigger than ever, and it really hammered in and out of my pussy, and as usual, when he came, he shot one hell of a lot of spunk into that pussy of mine, really filled me up with the stuff. But he had put so much effort into that fuck that he was really tired afterwards,and, as usual, I wanted a little more, and that was when I handed him the electric wanking stick.

TG: He didn't mind?

Rose: No, he was pleased, for it meant that he didn't have to finger fuck me, poor dear, he didn't even have the energy left for that. Well he took the dildo from me, and then, after I had wiped all his spunk from my pussy with a tissue, he slowly pushed it all the way into my cunt, and he soon got into the swing of things, and said that it was really amazing just how many orgasms I had from it.

TG: So, he was really happy?

Rose: Yes, but he was even happier a few days later.

TG: How do you mean?

Rose: Well, I had had a really busy day modelling, and when he came round to my place he was feeling very randy, but I was too tired to fuck, just could not find the energy, and no matter what he did, I just couldn't work up any lust or desire.

TG: What did he do?

Rose: The usual, he sucked my tits, then he went down on me and lapped at my cunt, then he finger fucked me, then he pushed his tongue all the way inside my pussy and gave me a really good sucking out, but though I enjoyed it, I still couldn't face the thought of a fuck, I just didn't have the energy.

TG: So what happened to make you change your mind?

Rose: He got the Electric Dildo, and he switched it on and then pressed the glans tip against my pussy, and that gve me an orgasm right away, and I was really surprised, for I thought I was even too tired for that dildo to have any effect on me. Well, it made me very wet, and gave me an orgasm, and as you know once a woman has an orgasm she then wants a lot more, no matter how tired she is, once a woman has an orgasm, then it seems to flood her with all the energy she needs, and wants more orgasms after that usually.

TG: So this Electric Dildo is very useful when the woman does not really think she wants sex?

Rose: Yes, you can say that again. For after I had had the first orgasm, he then pushed that wonderful thing all the way into my pussy and wanked me with it, and before long I was having even more orgasms, and all the energy seemed to come flooding back, and I found myself gasping out that he should stop wanking me and start fucking me.

TG: So, in your expert opinion, Rose, this new Electric Dildo which has just come onto the market, is a first class product?

Rose: Yes, in every possible way. If a woman is feeling randy and is on her own, then this dildo will give her all the orgasms that she is looking for. If the woman is with a man, and he is tired, then she can get him to fuch her with it. It is also useful for holding against a man's cock to get him hard again. But I would say that the best use of this thing is for when the woman is not in the mood for sex, and this is why I say that every man should have one of these things at home.

TG: You really think that?

Rose: Well, every man who likes fucking women that is. How many times have you head from a man, that he is pissed off because the girl he has been with has been too tired, or not in the mood, or has come up with some other reason for not wanting to fuck?

TG: You hear that sort of thing all the time.

Rose: Yes, of course you do, and I have said that to men many times, and have meant it, for I do get tired after a hard day's work, and the last thing I want is to fuck.

TG: And you think this dildo is the answer?

Rose: I don't think, I know. This pleasure aid, this Electric Dildo is amazing. Men should have one at home, and then, when the girl they are with says that she is not in the mood, or else she is far too tired, then he should suggest to her that he uses this dildo on her.

TG: You think that most women would go along with that?

Rose: Yes, for they may be tired, but no woman is going to turn down the chance of having an easy orgasm, and I assure all the men reading this, that once a woman has had an orgasm from this fabulous new Electric Dildo, that she will want more and more orgasms, one bout with this and she will really be in the mood for sex. Any man who hasn't got one of these handy is a fool.

TG: Well, many thanks for your help in this Rose.

Rose: I assure you, it was my pleasure. When I got that dildo inside my pussy, then I have some really wonderful orgasms. I wouldn't be without it now. I think that every woman should be able to test this thing out. However, as you know, women aren't that happy about going into adult shops, so she will have to have a man buy it for her. So, all you men reading this, if you want to boost your sex life, if you always want to have, close at hand, the means to turn a woman on, to make her so randy that once in bed with you she will do anything you ask, then go out and get one of these new Electric Dildos at your local shop. It will be the best thing that you have ever done in your life. When a woman uses this, or when you use it on her, she will go wild with desire. You have my word on this, for that dildo is so amazing that I wank off with it all the time now. That new Electric Dildo is so good, that if you use it on a woman she will do anything. . . but I'm repeating myself, don't just take my word for it, go out and buy one and try it for yourself, you'll see what I mean then.

TG: Rose, thank you very much for carrying out this product test for us.

LIVE SEX ACT

When she walked out onto the stage, everyone went quiet. She was so fucking beautiful she just took your breath away. The club, the Safari in Hamburg, has always been famous for the beautiful strippers and live sex acts, but even for them, this woman was outstanding.

She was tall, blonde, had the sort of face that sent you into ... well, just looking at her face made you get an erection, and you can't say that about many women, can you?

She stood there in the centre of the stage, the spotlights blazing down, and she knew she looked good, you could tell that she knew that she was the best.

The music started up, and she started to strip, and she turned that strip into an art form.

It wasn't long before she was naked, for at that club, the strip is just the first part. She stood there, hands on hips, legs apart, and the hundred or so people in the audience clapped and cheered, for her body was out of this world.

She started to run her hands over her firm breasts, and you could see those nipples of hers getting stiffer with each passing second.

Her right hand went down to her cunt, and then her left hand, and her fingers were playing with her lipos. I was sitting in the front row, and I could clearly see little drops of hot looking pussy juice appear on those lips.

There was a chair on the stage, and she sat on it, her legs apart, and again her hands went to her pussy, and this time, with a smile on her face, she parted her cunt lips with her fingers.

She pulled those cunt lips of hers further apart than I would have thought possible, they came so far apart in her fingers that you really could see all the way into the seemingly limitless depths of her cunt.

She held them like that for a while, and then a finger of her right hand slipped inside and she started to masturbate herself.

Yes, like I said, stripping at this club in Hamburg is only the start of the act, the real actions always come when the woman is naked.

Her finger went slowly in and out of her pussy, and you could tell that she wasn't faking her enjoyment, it was very obvious from the look in her eyes that she was having a really good time wanking in front of all those men.

Then a second finger joined the first, and then a third. Threefingers inside her, she was also wanking faster now, so much so that her cunt was soaking wet, and then she had a genuine orgasm, and that juice of hers really poured from her cunt after that.

She wanked for about two minutes, and then slowly removed her fingers, and then she just as slowly lapped at them with her tongue, and that brought a burst of clapping and cheering.

A naked man came out onto the stage and handed that woman a banana, and then he just stood there. The girl was still on the chair, her legs wide apart, and she held that rather large banana in her right hand, and then her hand went down, and there was a nice slurping sound as she slowly pushed that banana all the way into her wet cunt.

She gave a gasp of pleasure as it went in, and then she was wanking with it, wanking really fast, and having many climaxes.

The banana came out, she handed it to the man, and he walked off the stage.

A naked woman came out onto the stage then, and she was holding the biggest dildo that I have ever seen in my life, and I thought there was no way this woman was going to get that thing inside her.

She just sat on the chair, and did nothing for in this part of the act, the woman who had just walked out onto the stage was going to wank the star.

Well, it did go all the way in, right the way up into her cunt, and the woman on the chair started to shout loud and long with pleasure as the other woman rammed that dildo in and out of her cunt.

This went on for some time, and then the dildo was pulled out and the woman holding it left the stage. Of course, just about everyone in that club was now standing up and clapping.

The woman stood up and then said she would fuck with any man who cared to come up onto the stage. I tried to make it, but the rush was so great that I was knocked back in my seat, for every single man in that club wanted the chance to get his cock into that woman's cunt.

Well, the lucky man was cheered on as he strode to the centre of the stage, and then the rest of us sat back in our chairs, waited for the action to start, and thought what a lucky sod that man was.

The woman undressed him and then a bed was wheeled onto the stage, but as there were mirrors all over the stage, you could see every single detail of every part of the action, no matter where you were sitting.

Well, the woman had undressed the man, and then she knelt down in front of him, and her right hand cupped his balls, and I wished like hell that it had been my balls that she was holding like that.

She then slowly drew his cock into her mouth, and then she sucked it very slowly, and it was obvious from the way the man was reacting that this was one of the best sucks he had ever had, and once again I cursed my luck that I hadn't been able to get up there on the stage.

She sucked him for a little while, till he was really hrd and stiff, and then led him over to the bed, and there she told him to stretch out, and then she got on the bed and crouched over him, it was obvious she was going to get on top and do all the fucking.

But before she sat down on him, she did a very sexy thing, which turned everyone on, but it turned the man on the bed on most of all.

The girl reached down, and she pushed two fingers up into her cunt and then slowly wanked off, and as she wanked so the juices flowed from her pussy and washed down all over the man's cock.

When she thought that man's cock was wet enough, she then sat all the way down, and the slurp that came from her cunt as she did so could be heard all over the club.

She started to move up and down on that cock, and again I wished I had been that man, and I saw her start to go faster and faster, and the man was heaving now, and shouting with pleasure, and then that woman had a huge orgasm as she climaxed, and then another one when the man shot his spunk into her.

She sat on him for some time after that, and then, when she rolled off, she leaned over the took his cock into her mouth and sucked it.

She got off the bed and walked down to the front of the stage again, and we could all see the sperm dripping from her pussy lips.

She smiled, sat on that chair again, and once more she used her fingers and parted her cunt lips, and the spotlight blazed down, and we could see that sperm inside her pussy.

I suppose she had done that to make sure that we would all know that she really had been fucked, and that it had not been faked in any way.

Well, that was the end of the act, and the following night I went back to the club, and this time I sat on the end of the row, so when that lady called out for people to go up on the stage, I was there, quick as a shot, and managed to get to her before anyone else did.

I didn't give a shit about the lights blazing down, or the people in the club shouting and clapping. All I wanted to do was get my cock into that cunt of hers.

She stood facing me on the stage, and as she started to undress me she whispered that she had seen me in the club the previous night, and I said that was so, but that I thought she was so wonderful I just had to get fucked by her.

She smiled, carried on undressing me, and said that as I was such a fan of hers, she would give me a fuck that I would always remember, that she had rushed the night before just a little, but for me she would make it last.

Like I said, I didn't give a damn about the fact that she and I were on stage, as far as I was concerned there was no one watching us, there was just her and me.

There was a lot of clapping when I was naked, and she knelt down, and as her mouth closed over my cock, I shook with pleasure, for her mouth was wonderful, she had soft gentle suction, and the tip of her tongue was doing amazing things to my glans, and when she took her mouth away and stood up, I found that I had the biggest erection of my life.

The bed was wheeled on to the stage, and we got on it, and she

didn't rush, and then she moved up the bed and sat on my face.

This is more than she had done for the man the previous evening, and I was pleased, very pleased.

The people in the club were cheering louder and louder as she sat on my face.

Her cunt was hot and warm and wet and soft, and the pussy lips closed over my mouth and nose, and the seeet musky scent of her cunt wafted deep into my lungs.

I lapped at her cunt, she tasted really good, and then I poked my tongue up inside her, and felt her shake, and I flicked and flapped and licked and sucked and slurped with my tongue and lips on that fabulous pussy of hers, and she was really having some genuine orgasms and her cunt was really flooding into my mouth.

She rolled from me, then used her tongue to lap the juices from my face, and that was something of a bonus as well.

I think the people in the club had started to realise that this woman was doing more than normal, and so they were shouting louder than ever.

She rolled round, and then crouched over my cock, and I had seen this done by her to that man the evening before, but doing it with her was much better than just watching from my seat.

Her cunt lips were about six inches above my cock, and her hand went down, and she shoved two fingers up into her cunt,and then she started to wank off, and almost as soon as her fingers had started to flash in and out of her, so the first few drops of hot juice washed down on my penis.

Then she wanked faster, so fast and hard and deep that she had an orgasm, and as that orgasm went through her so more and more juice flowed and gurgled down all over my cock.

Yes, she was putting much more effort into what she ws doing with me on the stage, than she had the previous evening.

She took her fingers from her, licked them in her mouth, sighed with delight at her own taste, and then with everyone in that club stamping and clapping and cheering, she slowly sat down in my lap.

It was wonderful to feel her pussy touch my cock, it was even better when those lips parted and my cock started to go up inside her.

It was wonderful when she was sitting on the way down in my lap, my cock now all the way up inside her cunt for it was the hottest, wettest one I had ever known. That cunt of hers seemed to fit like a glove, and being up inside her was one of the greatest pleasures of my life.

Like I said, I ignored the fact that this was happening in a live sex club, and just concentrated on the fuck with this woman, not that I had to do anything, for she was in charge.

She glided up and down, she was going a lot slower than the night before. I was lucky, she obviously liked me, and when she liked someone she gave them a good time.

I was half aware of all the clapping and shouting as she glided up and down on my cock, but I was having fun, feeling her cunt walls rasping up and down my shaft, feeling the hot juices flowing.

Up and down she went on that bed, on that stage, in that club in Hamburg, and I reached up with both my hands and used my fingers on her breasts and nipples, and you know, that woman was having a real orgasm.

There was no way at all that she could have been faking, for I could feel the heat of her and the way the juices boiled as she climaxed, the way her cunt walls sort of rippled. Yes, those were real orgasm okay.

I heaved up and down, and she went faster and faster. Then my glans expanded, and she went faster still. and I shouted with pleasure as my cock heaved and then my spunk spurted up into her tight, wonderful, cunt.

She sat there for a while, squeezed with her cunt making sure she had got it all from me, then she rolled over, thanked me for a great time, and then walked to the front of the stage.

I could see her back view now, and anyway they were starting to wheel the bed from the stage with me on it, but it was obvious that the lady was now doing the same thing as the night before. She was holding her cunt lips wide apart at the front of that stage.

Well, that was how, in a way, I became part of a live sex act in Hamburg. Mind you, that wasn't that unusual for nearly all good clubs in Hamburg have at least one act where the girl drags a man up onto the stage and fucks with him.

Mind you, you have to be fast, those girls are very pretty, and if you don't act quickly then you get killed in the rush.

But, if like me, you hit lucky, and you do manage to get up onto the stage, then believe you me, you will have the sort of fuck that you will remember for the rest of your life.

Mind you, one word of warning, some people find that they can't perform with all those people watching. I can, but some people cant, so think about that before you rush up onto the stage.

Readers' Letters

We at Lovebirds look forward to receiving letters from readers, and this section has become one of the most popular in the magazine. If you have an interesting experience or even a fantasy dream to relate, type out your letter and send to: Editor, Lovebirds, 34 Upton Lane, London, E.7.

Dear Editor,

You see all sorts of video tapes in the shops these days, a lot of them claiming to be really good hard adult videos, and when you see them, you find that most of them are tame, most of them are rubbish, and do not live up to the claim made for them.

The reason that I am writing to you, is that I have just come across a video tape that is really adult, that is hard and hot and well produced, and really does live up to the tag of being an adult video.

It is called Fantasy Manor. This tape is amazing, and it stars the one and only Zeta, that sex queen that everyone has been talking about lately.

Fantasy Manor is all about these people who decide to turn this huge country house into a place where people can go to have their sexual fantasies come true.

It is a very good, very strong, story line. The idea being that whatever your sexual fantasy is, no matter how kinky, you go along to this place and they will arrange for it to come true, they will, in other words, turn your sexual fantasy into sexual reality, right down to the very last detail.

Let me give you a few examples of this, all scenes from this great adult video.

A man wants to be treated like an arab for a day, so he goes along to Fantasy Manor, and there he is dressed up like one, then he is put into this harem, which has lots of handpicked sexy women, and he is pandered by these women, and at one stage he is being sucked off by two of them, while four or five others are indulging in a real lesbian orgy, and the sex is explicit, and the close up pictures are very erotic indeed.

In another scene, this woman goes to the manor for she wishes to be a hooker for a day, and she is dressed up like a tart, and sent down to the local village, where it has been arranged she will be picked up by some men pretending to be her customers.

Then there is this woman who goes to the place because she wants to find out if she is a lesbian or not, and there, at Fantasy Manor she fucks with othe women, and these lesbian scenes are first class.

Then there is the man who wants to be fucked by women older than himself, and he is taken care off.

There is also this woman, a shy lady, who wants to do a strip in front of some men, the wank off, then fuck with the men, she thinks that doing all that will cure her of her shyness, and it does, and the scene where she is on stage stripping, and then wanking, just has to be seen to be believed.

Yes, there are many more scenes like this in this great video.

Lots and lots of people go to Fantasy Manor to have their sexual dreams turned into reality, and as I have said, this tape is very well produced, it is really a high class piece of work.

The scene that I really loved was the one at the end, when all the people that have used the place over the previous few months are invited to a party.

Of course, Fantasy Manor, being what it is, this party turns into an orgy of lust and sex. Now I have seen so called orgies before on other so called video adult tapes, and take my word for it, this orgy at Fantasy Manor makes all the others look very tame indeed.

This orgy is a real orgy, held in this huge country house, and the women are beautiful and randy, the men are all well hung, and the action is fast and furious, and as with the rest of the tape, the camerawork is first class and not a single detail escapes the camera.

Yes, if you are looking for a really good hard video, if you are fed up with the same rubbish they tend to push out as adult, then go out and get a copy of this great video. I hired it in the first place, well hiring is cheaper than anything, but after just one viewing of this tape, I went out an bought my own copy.

You have my word, that Fantasy Manor is the best adult video that I have ever seen. Buy it, you'll not regret it.

TR, Northampton

out if she is a lesbian, and we see her fuck with three different girls as she finds out.

The star of this amazing video is Zeta, and you've probably read about her in the paper as being the best sex star of this decade. Well, in this video she proves just how good she is.

Yes, Fantasy Manor is the best adult video I have ever seen, for it has a very strong story line, it has brilliant camerawork, and the girls in the video must have been handpicked for their beauty.

It isn't often that you come across a video that has good hard sex in it and is also well produced. Well, this one has got the lot, sexy women, orgy scenes, strong story line, fabulous indoor and outdoor shots, and a soundtrack that is first class.

I have seen many so called adult videos in my time, and most of them have been rubbish, or else have not lived up to their publicity.

Let me tell you that Fantasy Manor is everything that is claimed for it. This video is strong and hard, and yet beautifully produced. And to see all those people, men and women, living out their secret sexual fantasies is a real turn on. I saw the video by hiring it, but was so impressed that I have now bought a copy.

If you want to do yourself a real favour, if you are fed up with tame adult video tapes, then take a tip from me, pop down to your local sex shop, or video shop and get yourself a copy of what must be the best adult video ever to be released in this country.
WR, Maidenhead

Dear Editor,
Just thought I would drop you a line to say how great I think Zeta is. I have been reading your magazine ever since it first came out, and I can honestly say that the article by Zeta was the best thing that you have ever published.

She is a really amazing woman. After all, the last thing you would expect a sex star to do would be to go round the county fucking with normal working class men. You would have thought that she would have stayed with the jet set.

I understand from what you said at the end of her article that you will be publishing more of her work. I hope that this is the case, for she is a really terrific girl.

I do like the way she writes, it is obvious that she is not making up a single thing, that she really does to the things she says.

I like the fact that she always finds someone who needs a break, someone who is down on his luck, and then goes to bed with that man, and by making that man's sexual fantasies come true, she enables that man not only to forget his problems for a while, but also gives him a great confidence boost.

I also like the way she says that appearances don't count with her, that men can be short, fat, tall, young or old, shy or nervous, she will take them all on and try and help them. I also like the way she says that she can't stand the super stud flash type of person.

I think that Zeta will go a long way in her career of trying to help people. I also hope that you are going to show us some more pictures of her, for my only complaint was that the one you published did not show her fully nude.
GEP, Luton

Reply
Thank you for your letter, we showed it to Zeta and she was delighted, in fact she is going to write to you herself, but let me say this. She is a very genuine person, and really does go out of her way to help as many people as possible. Also we will be publishing some fully nude pictures of her very soon. We have been unable to do this so far as she had copyright problems with the film studio she used to work for in Sweden, but we have now sorted this out, and in future editions of this magazine we will be publishing some really hot and sexy shots of Zeta, and when you see them, we feel that you will agree that they are sensational. When you see the way she poses, when you see her entire naked body, then you too will say that one of your sexual fantasies has come true. Editor.

Dear Editor,
Came across a neat little sex aid in my local Private Sex Shop the other day. I was looking for something that would make my girlfriend just a little less frigid.

Ann, that's her name, was okay in bed, but she just wouldn't relax. She had orgasms, but not many, and she wouldn't relax and enjoy herself enough to try sucking my cock. So I wanted something that would relax her a little, something that would release her inhibitions, make her more responsive in bed, give her more orgasms, and also something that would maker her so randy that she would want to

We hope that you are enjoying this Magazine. You can't buy anything stronger from Newsagents. We do however produce a few very Special lines that really do go the whole way. It's Porn from cover to cover and they are only available to Mail Order customers or from your local Adult Shop.

such my cock all the way - something as yet she had not done.

Well, I found something in that Private Sex Shop called Spanish Fly Drops, and the manager said they really did work. Well, in the past I've bought several things from that shop, and all of them had been first class value, so when the manager told me that Spanish Fly Drops really worked, that they would make Ann more sexy, then I believed him right the way down the line.

That night Ann came round to my place, and I gave her a cup of tea, and what she didn't know was that I had poured a few drops of the Spanish Fly stuff into that cup and had given it a good stir.

She drank the tea down, and I waited. Usually I have to suggest we fuck, and usually I have to work hard to persuade her,for she doesn't get a great deal out of fucking.

Well, ten minutes after she had drunk that cup of tea a look of real lust appeared in her eyes, the first time that I have ever seen her look like that, and she started to say that she felt really sexy, that she didn't know what had come over her, but she really did want to go to bed with me right there and then.

I was delighted, for this was the first time ever that she had said she felt sexy, and the first time ever that she had begged me to take her to bed and fuck her.

When we were naked, and in bed, I saw that her pussy was already damp, and this surprised me, for usually I have to suck and lick her cunt for some time before she gets that wet.

Anyway, I went down on her, parted her fleshy cunt lips and with my fingers pushed my tongue all the way inside her pussy.

Then what amazed me was the fact that as soon as my tongue went into her sopping wet hole she climaxed. Usually it takes me ages and ages of sucking to get her to come, but there she was, as soon as I had started to suck her cunt, having a climax.

And the more I sucked, the more she came, till the juices were running out all over my face, and that was when I rolled on top of her, thinking that the Spanish Fly stuff really was working.

Well, as soon as my cock dived into her cunt, she climaxed again, and then she seemed to have a climax each time I thrust deep into her hole.

She also climaxed when my spunk gushed into her pussy, the first time she had ever done that, and when I rolled from her, she said she didn't know why, but she felt very different, and that I had just given her the best fuck of her life.

I smiled, for little did she know that I hadn't fucked her any differently from before, all I had done was slip her that Spanish Fly.

Well, I thought the real test would come a little later on, and so, when I had recovered from that great fuck, I pointed down at my cock and said it would be nice if she would suck it.

Well, she did, she didn't hesitate, she just went down there and started to move her tongue all up and down my shaft, and then she said that it tasted good, that she didn't know why, but she felt so fucking sexy that she just had to suck me off all the way, she just had to find out what my sperm tasted like when it went into her mouth.

And she was as good as her word, she sucked me off all the way, climaxed when my spunk jetted into her mouth, and then had some more climaxes as she drank down every last drop.

Well, ever since that night she has been a changed woman. I have had to slip her the stuff every now and then, but not every time. She is turning into the sexiest woman that I have ever known, and I put all this down to the fact that she had taken some of that Spanish Fly sex aid stuff that I had bought in my local private sex shop.

I thought I'd write and tell you this, for I thought my experience with the Spanish Fly stuff would be useful information to any other of your readers who are having sex problems with their girlfriends or wives.

GUIDE TO SEXUAL KNOWLEDGE

Over the past few months there has been tremendous criticism of the videos on sale in Adult shops - often little stronger than those sold in video shops, and generally badly packaged, with bad reproduction.

NOW THIS IS OVER! We have now acquired the top selling HARDCORE VIDEO TAPES FROM SCANDINAVIA – and we offer them to you at unbeatable, low prices! (See below). If you buy these videos we are sure you'll want to keep them – as they are all real collectors items! However, if you decide you want to swop them in against something else, we'll always give you HALF BACK against another purchase.

Adult shops can sell the strongest videos because unlike ordinary video shops they are for adults only. **All these videos are full length, running for 1 hour or more.**

BUY

VIDEO XXX1 – SCREW

From Whitehouse magazine featuring the sensational ZENA WHITEHOUSE in the hottest action you've ever seen. Britain's number one sex symbol goes the whole way in this new video. **WARNING** The Whitehouse video show No. 2 is far more explicit than last MONTHS EDITION AND SHOULD NOT BE BOUGHT by people who are easily offended by the most explicit shots of heterosexual human activity including intercourse and oral.

VIDEO XXX4 – JUICY CUTS 007

A compilation of the strongest sequences ever shot in the UK (and Scandinavia, Holland and Germany.) Non stop action as you've never seen in any other video.
